What does this table show? All degree options involving the core social science subjects (**highlighted pink**) across the three general degrees - the MA Social Sciences, the MA and the BSc. Please contact your Adviser of Studies if you would like to consider a plan change.

What does it not show? Does not include single or joint degrees that do not involve one of the core social science subjects. Please contact the College of Arts and Humanities (MA) or the College of Science and Engineering (BSc) if you are looking to transfer to a non-social science degree.

Important caveat: This table is subject to change and some joint degree programmes may not be available for transfer or enrolment. This may be because of timetable clashes, capacity constraints or progression and other degree requirements. Don't assume - always check with your Adviser of Studies.
