

## 18 Government and Regulator Relations

### Introduction

This category covers information the institution provides to government and external regulators and information provided to the Scottish Funding Council for monitoring purposes. By virtue of its nature most institutions will probably find that the majority of these categories are already made available to the public by some means.

Members of the public are also likely to find the same or related information is available from the external partners the institution has links with.

Category Name	Category Description	How to access	Withheld information
<b>Funding body statistical reports and returns</b>	Information that the institution is legally obliged to make available to its funding body	The financial statements contain information on the University SHEFC grant. Our HESA <a href="#">financial returns</a> are available in hard copy on request from the Finance Office.	
<b>Other statutory reports</b>	Information which the University is legally required to publish	The University is legally required to publish its HESA financial returns, and these are available in hard copy on request from the <a href="#">Finance Office</a> .	
<b>Information on student admission, progression and completion</b>	Statistical information on these matters which the institution is required by the Funding Council to publish	<a href="#">External Relations</a> <a href="#">Employability</a> <a href="#">Planning and Business Intelligence</a>
