

Matlab Registration of Use / Individual End User Annual Licence

University of Glasgow IT Services. June 2010 – May 2011

This form allows staff to register and declare the use of software which is currently licensed under the Matlab Total Academic Head Count Annual Site Licence Agreement. A copy of the Agreement may be seen on application to IT Services:

Operating System: (Windows / Unix / Linux etc)	
IP Number / MAC number	
Machine make and serial number	
Type of Use: Research or Teaching	

I agree that the usage of this software product is subject to following conditions

- I will ensure that all the requirements of the agreement under which the University of Glasgow holds this software will be maintained. Copies of the relevant agreement may be seen by application to IT Services.
- I will ensure that the copyright statement is maintained on all copies of this item of software used by me.
- **THIS IS A SINGLE USER LICENCE THEREFORE SOFTWARE AND CODES SHOULD ONLY BE USED BY THE UNDERNOTED INDIVIDUAL. I will ensure the security and confidentiality of the copy released to me, and will not make any further copies from it.**
- I will use this item of software only for the purposes defined in the copyright agreement, and only on computer systems covered by that agreement.
- I will not use this item of software for consultancy, development work or other services where the product is commercially exploited, or for work of benefit to the employer of students on industrial placement or part-time courses.
- I will not incorporate a modified version of the software in any program written by me without the express permission of the Licensor.
- I will return all copies of the software at the end of the course/year/period of employment or when requested to do so.
