

British Heart Foundation 4 Year PhD Scholarships 2010 call

This award, lead by Prof. Anna Dominiczak and co-directed by Prof. Andrew Baker and Prof. Godfrey Smith, covers a range of research including:

- Genomics of Cardiovascular Disease
- Vascular Biology, Metabolism and Exercise Physiology
- Myocardial Biology and Electrophysiology
- Cerebrovascular Disease
- Cell Signalling
- Modelling and Structural Biology
- Clinical Trials, Epidemiology, and Public Health

Website: <http://www.gla.ac.uk/departments/glasgowcardiovascularresearchcentre/bhf4yearstudentship/>

Supervisors are drawn from a wide range of Faculties. An intensive first year of training in research techniques and theory, and three research placements, resulting in an MRes in Translational Medicine, is followed by a 3 year PhD research project. Five fully funded scholarships are available to outstanding students from broad ranging disciplines.

Stipend rates start at £17,442 per annum.

Further details contact Prof. Godfrey Smith on 0141 330 5963, email g.smith@bio.gla.ac.uk or Prof. Andrew Baker on 0141 330 1977, email a.baker@clinmed.gla.ac.uk

Deadline for applications: 21 November 2009 and interviews will take place 14th/15th December 2009.

The University of Glasgow is a registered Scottish charity, number SC004401.
