To get to Main (Gilbert Scott) Building

Find University Avenue: a sizeable road running from the traffic lights half way down Byres road over the hill and down to Kelvin Way and Gibson street.

The main gate and gatehouse are exactly at the brow of the hill, beside a double set of pedestrian traffic lights.

Enter through the main gate and bear left along the front of the main building: □
OR enter through the other large iron gates a few yards east along the Avenue.

IVWS MEETING: Room 202, 4 University Gardens

FUTURE CONFERENCE MEETING: Room 202, 4 University Gardens

University Gardens is a crescent situated off University Avenue on the opposite side from the Main (Gilbert Scott) Building. **Number 4** is on the upper part of the crescent not far from the corner with University Avenue
