

The Scottish Network for Able Pupils (SNAP) was established by The Scottish Office in 1995 and has undertaken many initiatives since its inception. The charges are to sustain the quality of service for the coming session. Membership will mean that you are informed of courses, conferences and developments in this area; are given discounted, priority booking facilities for forthcoming SNAP events, and free access to SNAP materials through the website. Please complete this form and return it together with your remittance to:

The Scottish Network for Able Pupils
The University of Glasgow
School of Education
St Andrews Building
11 Eldon Street
Glasgow, G3 6NH

If you are a member, in the unlikely event that you wish to cancel your membership we would be most grateful if you could notify us of this in order that we remove your name from our database.

Membership for one full year from date of application

The fee is £10 for both individuals and schools.

I enclose a cheque/please send an invoice for £10.00 (circle as appropriate)
(Please make all cheques payable to The University of Glasgow)
