2012 Research Funding Round Now Open!

Awards of up to £10,000 are available under the SIRN Minor Funding Scheme, and up to £225,000 under the SIRN-CSO Major Funding scheme. Further information can be found on the website.

Application deadline: 11 January 2013.

Doctoral fellowships may be available later this year.

SIRN promotes interaction amongst scientists, clinicians, healthcare professionals and patients to promote and deliver research that will significantly contribute to the prevention and control of HAIs.
