We welcome and actively support applications from those with experience of care.

If you have spent time in care and are thinking of applying to us, there is a range of support and provision that we can offer. This may include:

- an adjusted offer of entry
- access to a Care Leaver Bursary
- year round accommodation
- dedicated support from our Care Leaver Support Coordinator
Supporting Care Leavers

If you are applying to the University of Glasgow with Scottish Highers you may be entitled to an adjusted offer of entry. To find out what this could mean for you, see the admissions section at www.glasgow.ac.uk/accessglasgow. If you have any questions about eligibility please contact our Care Leaver Support Coordinator.

Our Care Leaver Bursaries provide £1,000 for each year of your degree programme. To find out if you are eligible for a Bursary, or to ask about other possible sources of financial support, contact our Care Leaver Support Coordinator.

We can offer our care leaver students 365 day a year accommodation for the duration of your studies. Your local authority may also be able to help you meet some or all of your accommodation costs whilst you are in full time education. If you have any queries about or need assistance with this, our Care Leaver Support Coordinator can help.

Remember, when applying to the University you should tick the UCAS checkbox to indicate that you have spent time in care. This information will only ever be used in a positive way, allowing us to get in touch and provide further information and guidance on the support that is available at the University of Glasgow.

To find out more, contact Dan Keenan at rio-careleaver@glasgow.ac.uk, call 0141 330 4022, or visit www.glasgow.ac.uk/careleaver
