How to add your Student Loans Company (SLC)/SAAS reference number

Your SLC reference number is in the format of a 13 (letters and digits) code and it allows us to confirm your registration so that the SLC can release your loan to you. Your SAAS number is in the format of an 8 digit number allows us to confirm your attendance with SAAS. You can check and add your SLC/SAAS reference number on my campus.

1. Go to the personal information section and select reference numbers from the dropdown box and then click the double arrow button.

2. If you do not have a reference number your MyCampus will look similar to this. Click add reference.

3. Select SLC/SAAS from the drop down box, enter your SLC/SAAS reference number and then click enter (below example for SLC). Please note you can use the same process to enter your SAAS number by selecting SAAS from the dropdown box.
