Zone Movement FAQ’s – Applicant Information

1. Where do I get my zone profile?

Contact the Performance, Pay & Reward Team at hr-ppr@glasgow.ac.uk

2. My profile has u/c under one of the criteria, what does this mean?

U/c means unclassified, which means there isn’t sufficient evidence for the panel to place this criteria within a zone.

3. Is the application form automatically populated with publications, research funding, PDR outcome, etc?

No, unfortunately it has not been possible to do this for this year’s launch but it is something we hope to introduce in future years.

4. Do I submit the application or the Head of School/Director of Research Institute?

Completed applications should be returned, together with the following documentation, by the deadline date hr-ppr@glasgow.ac.uk:

- Appendix 1 – Grant Calculation Spreadsheet (for those applying on R&T or Academic Clinician tracks)
- Appendix 2 – PGR Supervision Spreadsheet (for those applying on R&T or Academic Clinician tracks)
- Curriculum Vitae
- Enlighten Publication Report

The application can be submitted by the applicant or Head of School/Director of Research Institute but there must be a clear understanding of who is sending this to avoid confusion and missing submissions. Once received and checked the PPR team will send an email receipt.

5. Where is the completed application submitted to?

Completed forms are submitted to hr-ppr@glasgow.ac.uk

6. Where are the Zone Descriptors?

  o Curriculum Vitae - Template

  - Enlighten Publication Report (create from the author browse view page in Enlighten and export as HTML Citation (option at the top of the page) and then cut and paste into a word document)

• Head of School/Director of Research Institute Statement
  - The Head of School/Director of Research Institute will comment on zone criteria that should be changed from the current zone profile, detailing why the zone should be changed.

Failure to submit all of the relevant documentation will mean that your application will not be accepted and could result in you missing the deadline for submission.

9. Why do I need to complete these spreadsheets if the data is in my form?

The spreadsheets provide a more accurate calculation based on a variety of factors, enabling the panel to come to a conclusion on the zone for these criteria easier.

10. My spreadsheets aren't working, what do I do?

Check that you have filled in the relevant cells appropriately and that formula hasn’t been deleted from the blue cells. If there are still issues, please contact hr-ppr@glasgow.ac.uk.

The decision to apply is that of the applicant, whether supported or not by HoS/HoC, however, the Head of School is required to provide a statement of support/progress.

Applicants should be mindful that an unsuccessful outcome will normally prevent a further application being made the following year without the support of their Vice Principal & Head of College.

13. If someone got a PDR rating of Inconsistent or Improved Performance Required, can they still apply?

Yes you can still apply regardless of your P&DR outcome; however, you are advised to meet with your Head of School/ Director of Research Institute in the first instance before applying for promotion.

The effective date for all successful zone movement applications is the 1st August.
