1.0 INTRODUCTION
The University holds its main diets of graduation ceremonies in the summer and winter each year. Ceremonies are held in the Bute Hall of the University. There is also an additional opportunity for students who are qualified, to graduate in April when degrees are conferred in absentia only, as there is no graduation ceremony. Until you have graduated, in person at a ceremony or “in absentia”, you will not receive your degree parchment and you are not entitled to call yourself a graduate.

2.0 ENROLMENT FOR GRADUATION
You are NOT automatically enrolled for graduation when you pass your examinations/qualify for your degree. It is your responsibility to take steps to ensure that you complete graduation enrolment. If you do not enrol you cannot graduate.

2.1 What is the General Council registration fee?
The General Council registration fee must be paid at the time of enrolment by all graduands, whether they intend to graduate in person or “in absentia”. If you already hold a University of Glasgow degree you will already be a member of the General Council and do not need to pay a further fee. The fee provides for life membership of the General Council of the University. Membership is compulsory - the General Council is a statutory body and plays a part in the government of the University. All members are entitled to take part in meetings of the General Council, which are held twice a year. In addition, all members receive the graduate magazine "Avenue" which is issued twice a year.

2.2 Debts to the University
If you have an outstanding academic debt to the University you will not be allowed to enrol for graduation or graduate. Students with debts recorded in their record prior to Academic Session 2015/16 whether it is academic or non-academic will not be allowed to enrol for graduation or graduate. These outstanding debts include tuition fees, bench fees, accommodation charges and library fines. Information on the student debt policy is available at http://www.gla.ac.uk/students/money/fees/policies/studentdebtpolicy/.

2.3 What should I do if I am unable to attend my graduation ceremony?
If you cannot attend your graduation ceremony you may graduate "in absentia". You should enrol to graduate in absentia and pay your General Council registration fee, if applicable. Your degree parchment will be posted to you within 7-10 working days after the date of the last graduation ceremony. Remember if you graduate in absentia you cannot attend a graduation ceremony in person at a later date.

Alternatively, if you wish to defer your graduation so that you can attend a ceremony in person at a later date rather than graduating "in absentia" you may do so. It is your responsibility to advise yourself of the relevant dates and deadlines for the ceremony of your choice. Please remember if you do decide to defer graduation, you will not receive a degree parchment and are not entitled to call yourself a graduate until your award has been conferred at a graduation ceremony.

2.4 What if I fail to attend my graduation ceremony?
If you enrol to graduate in person and fail to attend your graduation ceremony without prior notification to the Registry, your graduation will be treated as in absentia. Your degree parchment will be posted to your home address as recorded in your Campus record or at the address entered on your graduation enrolment form within 7-10 working days after the date of the last graduation ceremony. Remember if you graduate in absentia you cannot attend a graduation ceremony in person at a later date.

2.5 Deadline for enrolment
If you have not enrolled by the appropriate deadline for your ceremony you will not be able to graduate until the next diet of graduation ceremonies.
2.6 Should I wait to receive my examination results/find out if I’ve passed before I enrol?

**NO**. You must enrol during the enrolment period even if your results are not yet published or, in the case of postgraduate students, you have not yet received your letter of award. Your enrolment is treated as provisional until your results are published or your award letter has been issued.

2.7 What if I am not successful in my examinations or I receive my results after the results deadline.

You should return the Graduation Enrolment Update Form available on the Registry webpage, at the appropriate time, and tick the box indicating that you have not yet qualified to graduate. Your enrolment will be cancelled, but you will need to re-enrol for the next diet of graduation ceremonies. Your General Council registration fee will not be returned to you but will be carried forward to your next enrolment. If you do not wish your General Council registration fee to be carried forward and wish to receive a refund you should notify us at graduation@glasgow.ac.uk.

2.8 Keep us updated

Once you have enrolled it is important that you notify us of any subsequent changes that will affect your enrolment status or ability to graduate. If you fall into one of the following categories please download and complete the Graduation Enrolment Update Form from the Registry webpage and return it as soon as possible to the Graduation Team.

- If you do not qualify to graduate.
- If you enrolled to attend the graduation ceremony but are now unable to do so and wish to graduate in absentia or if you wish to defer your graduation until a later date.
- If you decide to appeal against your degree result and therefore cannot graduate until the appeal is heard.
- If you enrolled to graduate with a designated or ordinary degree but subsequently accept a place on Honours and therefore cannot graduate until the following summer (applies to undergraduates only).

**Remember** if you fail to attend your graduation ceremony without prior notification to the Registry, your graduation will be treated as ‘in absentia’ and your parchment will be posted to your home address as recorded in your Campus record or to the home address entered on your completed graduation enrolment form within 7-10 working days after the date of the last graduation ceremony.

If you graduate in absentia you cannot attend a graduation ceremony in person at a later date.

2.9 Guests and Guest Tickets

Each graduand will receive tickets for two guests to attend the ceremony. You may apply for additional tickets when you complete enrolment. Any additional tickets will be allocated by a ballot and submission of an application does not guarantee that you will be successful. If you have been successful in the ballot you will be notified of the outcome of your application, by email, after the ballot has taken place.

Everyone (including babies and small children) admitted to the graduation ceremony must be in possession of a ticket. You will receive your guest tickets when you register on the day of your graduation. If your guests will not be with you at that time you will need to arrange to meet to pass their tickets to them before you assemble for your ceremony.

Graduation ceremonies are lengthy formal occasions. Experience has shown that infants and young children get bored and restless and it is suggested that, if possible, you make other arrangements for them. If you do decide to bring a baby or small child as your guest they will need a guest ticket of their own.

Please note that seats in the following areas of the Bute Hall - E, F, G and H are accessible only by steep winding stairways and are NOT suitable for the elderly or infirm (these areas do, however provide a very good view of the ceremony - for the physically fit!). If you do not think seats in these sections would be suitable for your guests please inform us when you register on the day of your graduation so that we can allocate you tickets in areas to which there is lift access.

2.10 Academic Dress/Robe Hire

At the Graduation Ceremonies, graduands, whether or not already graduates wear the gown and carry the hood appropriate to the degree which they are to receive (hats are not worn at graduation ceremonies). The University does not provide gowns and hoods.

2.11 Disabled Students

The University encourages all students to attend their graduation ceremony. Clearly, we wish all those attending to be able to enjoy this special day and we would encourage any student with a disability to inform us by completing the Disabled Access Form available on the Registry webpage or by telephone on 0141 330 3540 so that we can agree with you how we may best assist you on the day e.g. wheelchair access/disabled parking etc. Further information on disability and graduation is available on the Registry webpage or, if you would rather, please contact the Student Disability Service on 0141-330 5497 or e-mail: disability@glasgow.ac.uk.
2.12 Publication and broadcast of graduation information/images
Lists of names and degrees (not classifications) of each day’s graduates are provided to a variety of newspaper publications, some of which also publish on the Internet. If you do not want to be included in these publications, please ensure you tick the appropriate box on your graduation enrolment.

Graduands, guests and staff attending a graduation should be aware that graduation ceremonies are regarded as public events. Names and colleges of graduands are published in the graduation programme. Audio and visual images of the ceremony are publicly available via the sale of DVDs of each ceremony; a live “on-campus” video link-up; a live “worldwide” broadcast of the ceremony via the internet; and an archive “post-event” via the internet at [http://www.gla.ac.uk/events/graduations/](http://www.gla.ac.uk/events/graduations/).
