

## Shipping Companies: Sources

### How to use this list of sources

This is a list of some of the collections that may provide a useful starting point when researching this subject. It gives the collection reference and a brief description of the kinds of records held in the collections. More detailed lists are available in the searchroom and from our [online catalogue](#). Enquiries should be directed to the Duty Archivist, see contact details at the end of this source list.

#### **Adamson, James and William Robertson; photographers, c.1880s-1930s, Scotland**
