Europe and Scotland  
Making it **work together**

The ADS Programme is part financed by the European Union through the European Regional Development Fund (ERDF) and co-funded by the Scottish Government's SEEKIT scheme.

University  
of Glasgow

# Programme Overview

- 3-year knowledge transfer initiative
- Developed to:
  - Provide advice and assistance to local SMEs on competing for ADS sector business
  - Help companies access cutting-edge research currently under development within Glasgow and other universities

# Events

- Two types of event – technical and general
- Technical events:
  - Based on technology requirements highlighted in the 'Defence Industrial Strategy' and 'Defence Technology Strategy'
  - Aimed at fostering collaborations in relevant technical areas
- General events:
  - Aimed at encouraging SMEs to participate in the ADS sectors
