

To find Lilybank House

Lilybank House is approximately 5 minutes' walk from our former building in University Gardens. It should be noted that the roads leading to Lilybank House are fairly steep, and that the connecting footpath from University Gardens (shown with a dotted line on the map) follows several flights of stairs. To avoid the stairs, it is possible to walk round the back of the Library, where there is another footpath leading to Bute Gardens (also shown with a dotted line on the map). The quickest route to Lilybank House from Hillhead Underground is along Great George St and Bute Gardens (see map).

Parking:

Between 9 a.m. and 5 p.m., all the parking bays outside Lilybank House and on the street approaching the Adam Smith Building (Bute Gardens) are reserved for University permit holders. After 5 p.m. everyone is entitled to park there. At other times of the day, cars are left at their owners' own risk and we cannot guarantee that the University parking attendants will not sticker illegally parked vehicles. If you need to park directly outside the building because of mobility problems, etc., please contact us in advance so that we can obtain permission. Pay & Display parking is available in the public car park at Lilybank Gardens (see map), and also on University Avenue.

Hearing Loop:

The Seminar Room is equipped with this facility. Please contact us for details, as it requires to be set up for users in advance.
