Gift Shop – located in the heart of the main campus building.

Hunterian Art Gallery Shop – located in the Art Gallery next to the University Library.

We have a fantastic retail team, ready to help our University of Glasgow students and staff colleagues.

Together we run the Gift Shop and the Hunterian Art Gallery shop. We have an evolving website too, supporting our University community and customers globally. We supply branded clothing and merchandise to faculties.

We are passionate about giving great service. We work with many Scottish based suppliers/makers. Whether it's University hoodies or T-shirts, well-being for you, a hat, gifts, stationery, games, products which support what is important to you, a graduation bath duck or graduation teddy bear, or even just a university branded bar of chocolate we have you covered.

It is rewarding for us to look after you and to promote the University of Glasgow to our many visitors and tourists.

We feel proud that all our profits are invested back into the University.

A famous friendly Glasgow welcome is waiting for you, so we hope we will see you soon.
