

- Notes:**
- I.** The information contained in this document is for guidance purposes only. Grades given are MINIMUM entry requirements and do not guarantee an offer. Offer to entry to the University of Glasgow is entirely at the discretion of the University. In addition to the minimum GPA requirements, for programmes with core module requirements we also value on academic performance on those relevant modules. Requirement of each programme can be found at <https://www.gla.ac.uk/postgraduate/taught/>
 - II.** 3+1 top up UG degrees where the final degree is only awarded by the foreign institution, accept either when the initial portion of the degree is formed of an SQA HND, and relevant core subjects were undertaken at the 'top up' university in the UK / US / Australia, decision on entry will be based on the final year study; Or when the first three years are taught at an institution in the Accepted List., decision will be made based on core courses and weighted average achieved in first three years.. Student will not be admitted if the first 3 years spent is in an non-accepted Chinese institution. For UG 3+1 articulation programmes where two degrees are awarded and the degree from the Chinese university is recognised by UofG for entry to masters, decision on entry will be based on both transcripts and degrees.
 - III.** 2+2 top up UG degrees where the final degree is only awarded by the foreign institution, entry will be reviewed on a case by case basis. For UG 2+2 articulation programmes, decision will be made based on two degrees awarded and the first two-year study spent is in a University that recongised by UofG for entry to Master.
 - IV.** 3+2 domestic top up UG degree (Full time) and Independent College (Full time) degree programme students will be reviewed and accepted on a case by case basis.
