Past Events

Pilates at We11ness 360

The Pilates event, held at Wellness 360 in Notting Hill on the 1st of November 2025 was a fabulous success! Thanks to all who made it on a wet and cold Saturday morning for some gentle stretching and self care. We received great feedback, and look forward to mixing up our events for the benefit of our members.

Informal Evening at the Caledonian Club

Our members enjoyed a lovely evening at the Caledonian Club on the 5th of December 2025. The Caledonian Club graciously hosted us again for an evening of drinks, laughter and great conversation! It was great to see so many new members, prospective members, as well as longstanding members in attendance!

University of Glasgow Burns Supper 2026

Not a GUWC event, however, the Glasgow Women turned out strong for the Burns Supper on the 10th of January 2026! It was great to meet new friends and old to ring in the new year in style!
