17th Glasgow Paediatric Research Day

Friday 6th November 2026

**Teaching and Learning Centre, Queen Elizabeth University
Hospital & Royal Hospital for Children Campus, Glasgow**

The Glasgow Paediatric Research Day is a **free** annual event which provides an excellent opportunity to showcase research activity in paediatrics and child health across Glasgow and the whole of Scotland.

This year's event will be hosted by Dr Louisa Pollock, Consultant in Paediatric Infectious Disease and will feature presentations on aspects of this specialty by Dr Kimberly Marsh, Public Health Scotland and Dr Helen Brotherton, NHS Fife.

Abstracts will be invited from early career researchers, undergraduate /postgraduate students and allied health professionals for either an oral or poster presentation **on any aspect of paediatrics**.

- Abstract submission opens: Friday 5th June / closes Friday 11th September 2026
- Free online registration with Eventbrite opens Friday 5th June 2025
- Application pending with the RCPCH for CPD in accordance with current RCPCH CPD guidelines
- Prizes for best oral and poster presentations
- Sandwich lunch
- Certificates of attendance

Further information will be available by visiting the [Child Health webpages](#) or by contacting: **Karyn Cooper**, School of Medicine, Dentistry & Nursing, Ground Floor, Zone 0.01, Office Block, Queen Elizabeth University Hospital & Royal Hospital for Children Campus, 1345 Govan Road, Glasgow G51 4TF Tel: +44 (0) 141 451 5841
