

PDR co-ordinators 2026

Your School/Service PDR co-ordinator is the first contact for all queries relating to the allocation of PDR reviewers. Any change requests should be emailed to one of the School/Service PDR co-ordinators listed below, who can update the PDR system accordingly and advise on communication with the reviewer/reviewee.

Additionally, where there is a request for exemption for one of the reasons stated in the PDR Guiding Principles, please email your PDR co-ordinator with details.
