ASBS Graduate Teaching Assistant (GTA) - Student Evaluation Responses Report

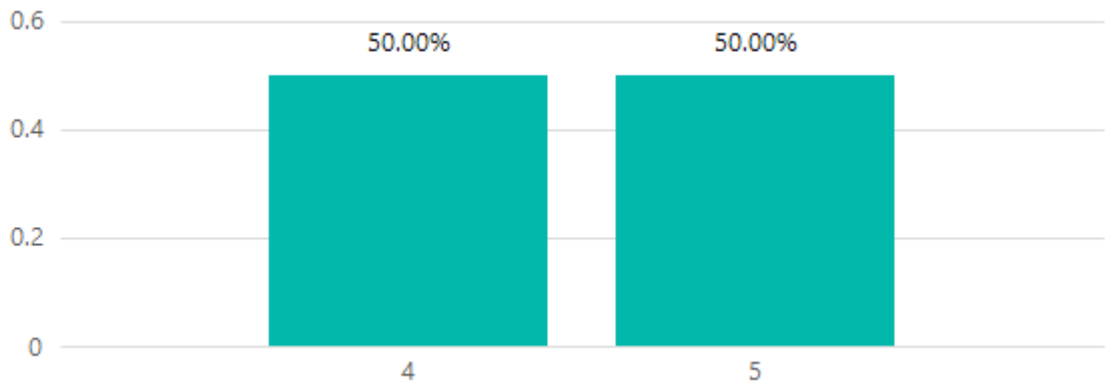

This report provides an overview of the student-submitted evaluation forms for Altaf Hossain and course(s): econ1002. This report was produced on 14/10/2026 13:10:54 and authorised by Dr Anthony Devine, Director of Learning & Teaching at the Adam Smith Business School.

Report Overview

The student evaluation feedback form is provided to students to gather feedback from respondents across eight distinct areas. Survey sections 1-5 require respondents to rate their level of agreement with given statements on a scale from 1 to 5, in relation to clarity of instruction, teaching adaptability, encouragement of student participation, interaction and cooperation, and student ability to raise questions, with 1 signifying strong disagreement and 5 denoting strong agreement. The remaining sections solicit open-ended comments from respondents, seeking insights into the themes of learning and teaching, notable aspects of tutorial delivery as well as recommendations for tutorial enhancements.
