

University of Glasgow | Small Animal Hospital

How to Find Us

Approaching from Glasgow Airport and the West

- Exit at Junction 25 (Clyde Tunnel).
- Once through the Tunnel, continue north, past Jordanhill station (under the railway bridge spanning the road,) following signs for Bearsden/Aberfoyle (A739).
- Continue past Morrison's supermarket on your right hand side. Continue over the canal and under a railway bridge. Move into the right hand lane of Bearsden Road (The Switchback).
- The entrance into the Garscube estate (and the School of Veterinary Medicine) is approximately a quarter of a mile along on the right. There is a right-hand filter lane at traffic lights. Turn right into the estate and follow signs for the Small Animal Hospital. The entrance is on the right hand side just before the security gatehouse.
