

University of Glasgow | Small Animal Hospital

How to Find Us

Directions from the South West (Stranraer)

- A77 / M77 – Head for **Glasgow**
- Follow signs for the **Clyde Tunnel**
- Head North through the Tunnel
- Follow road for the **North / Aberfoyle**
- Straight over major junction at Anniesland cross -Again direction is **Aberfoyle**
- Continue past Morrison's supermarket on your right hand side. Continue over the canal and under a railway bridge. Move into the right hand lane of Bearsden Road (The Switchback).
- The entrance into the Garscube estate (and the School of Veterinary Medicine) is approximately a quarter of a mile along on the right. There is a right-hand filter lane at traffic lights. Turn right into the estate and follow signs for the Small Animal Hospital. The entrance is on the right hand side just before the security gatehouse.
- (You have gone too far if you reach Canniesburn toll roundabout – if so about turn and double back)
