

## Join the **Amazon Rainforest Awareness Week** 26 Nov – 4 Dec

20% of the Amazon rainforest is no more: rain, oxygen, freshwater and sustainable forest living don't seem to be valued as much as hydroelectric power, mining, oil drilling and cattle ranching. Join us in **supporting indigenous people of Brazil** retain their home and protect this precious and now frail ecosystem for all of us! It is time to **put an end to the Belo Monte Dam project!**

Sunday **27 November**, 4- 10 pm  
**Fundraiser for Amazon Watch and East Timor Independence Day Celebration.** "Canta Timor!" film projection (5pm), live music from **Glasgow Drum Circle** and Adopted as Holograph

Entry £5-8

Glasgow Steiner School, 52 Lumsden st, G3 8RH

Thursday **1<sup>st</sup> December**, 6:30-8:30 pm

**Vivamazonia** film screening. A Glaswegian, Paul Clark, helps run a primary school deep in the Amazon... and has some stories to tell!

FREE

Glasgow university, University Avenue, Boyd Orr Building, lecture theatre A (fourth floor)

In collaboration with Glasgow University Climate Action students

Saturday **26 November** and Sunday **4<sup>th</sup> December**, 4 pm  
**candle-lit busking around Buchanan St.** Keep an eye out for us and feel free to join!
