Environmental sustainability at the

Embedding sustainable development in the GU curriculum by GU Environmental Sustainability Team (GUEST)

By Lena Hiltrop - Contact Roisin Lyle-Collins at: sustainablegu@gmail.com
http://guenvironmentalsustainabilityteam.blogspot.co.uk/

Sustainable transport: pilot bike hire scheme of 20 bicycles - 400 responses from students highlighting the demand, funding applications to continue bicycle promotion on campus (Rowan Ings)

Biodiversity: Support for Willowbank Community Garden society, hosting work sessions at Campus Wildlife Garden and helping Campus Biodiversity Group to update the Glasgow University Biodiversity Policy (Alistair Allan)

Sustainable academia:
developed a sustainability
course which will be piloted in
September 2013, gathering
potential teaching resources
and looking for accreditation of
this course, "To integrate the
principles, values and practices
of sustainable development into
all aspects of education and
learning" (Donneley, 2010)
(Lena Hiltrop)

GUEST - Team of students working towards improving University's environmental performance and embedding sustainability in different areas of University. The idea concerning L&T is to engage more students voluntarily to deal with sustainability issues and tackle these issues in a GUEST sustainability course.

(GUEST is Co-ordinated by Roisin Lyle-Collins and Melanie Hall)

Energy conservation:
Carrying out Energy Audits of
the QMU building and
surveying staff attitudes to
energy conservation, hosted
behaviour change workshops
on campus and piloted an
energy saving competition at
McClay and Munrano Halls
(Emmaleena Kakela &Izabela
Poltorak)

Supported Go Green week, arranging and promoting events eg. fundraising ceilidh, recycling crafts in the garden, wildlife nature walk and film showing in order to raise the visibility of the student societies and their campaigns, organising of an Env. Careers Café and creation of a film to communicate env. practice of campus (Jessica Clark and Hannah Rose)

Launching a Campus
Recycling Awareness
Campaign, asking for more
recycling bins at election times,
advertising double-sided
printing, creating an app to
encourage recycling; creating a
baseline sustainable food
policy, encouraging Keep Cup
scheme

(Anne Bosse, Ciaran Hay and Junior Takam)
