For more than five centuries, we’ve been pushing the boundaries of what’s possible, nurturing the talents of seven Nobel laureates, one Prime Minister and Scotland’s current First Minister.

International students fit right in here. More than 30% of our population comes from outside of the UK, with typically more than 1,000 students travelling to us from Canada and the USA each year.

Join them and see who you could become.

WHY SCOTLAND?

Scotland has lots to offer you - beautiful scenery, ancient castles and amazing cultural attractions.

A central base
Glasgow's location in the Central Belt of Scotland, combined with excellent transport links, makes it easy for you to explore our country, the rest of the UK and Europe. Check out the world's largest arts festival in nearby Edinburgh, uncover Stirling's historic castle, or go hunting for the Loch Ness Monster near Inverness.

Getting outdoors
Scotland was voted “Most Beautiful Country in the World”* in 2017 and it’s easy to see why. There are footpaths, bike trails, hill climbs and mountain adventures to suit all levels of explorer. We're surrounded by stunning beaches, offering opportunities for watersport activities, relaxing strolls and marine life spotting. Our iconic Munros (mountains over 3,000 feet) have spectacular views, while Scotland's many coastal islands each have their own unique character, landscape and wildlife, so get out there among our scenic and remote habitats!

Loch Lomond
Magnificent Loch Lomond is the focal point of Scotland’s first national park and is the largest land-locked body of water on the UK mainland. Located just 40 minutes from Glasgow, it’s a popular day-trip destination thanks to the opportunities there for watersports, fishing, hiking and camping.

Culture and events
With an eclectic range of theatre and dance venues, a captivating and award-winning literary and arts scene, and architecture that’s as striking as it is unique – you won’t run out of things to experience in Scotland. There’s an exciting range of events every year, from Highland Games, Glasgow International Comedy Festival and TRNSMT music festival, to the Edinburgh International Festival, Piping Live and the Scottish Open golf tournament.

* Rough Guides poll
DISCOVER GLASGOW

With cultural attractions, gorgeous architecture, fantastic shopping, friendly people and a year-round programme of world-class events, it’s easy to fall in love with Glasgow.

Getting around
It’s simple to travel around Glasgow, Scotland’s biggest city, whether you choose to walk, take the bus, or use the subway. Our subway system is the third oldest in the world and known affectionately as the “Clockwork Orange”.

The city’s excellent transport links mean you’ll be well connected to the rest of the UK and the world beyond too.

West End
The University’s main campus is nestled within Glasgow’s cosy West End, which is overflowing with cafés, bars, vintage boutiques and cultural attractions. Entertainment ranges from the Grosvenor Cinema and Botanic Gardens, to Òran Mòr – a converted church that offers lunchtime theatre known as a Play, a Pie and a Pint.

Shopping
Boasting the largest retail centre outside of London’s West End, Glasgow offers a “Style Mile” containing big-name shops such as Topshop, Nike, the Apple Store, as well as designer outlets and boutiques.

Culture
For culture vultures, the city is home to more than 20 world-class museums and art galleries, and is proud to have Europe’s largest civic arts collection with works by Dali, Van Gogh, Degas and Monet.

Entertainment
As the UK’s first UNESCO City of Music, Glasgow is host to around 130 music events every week. You can catch everyone from global superstars to local indie bands. The city’s nightlife is buzzing, with more than 700 bars, pubs and nightclubs, plus nine cinemas, including the tallest in Europe.

There’s also a fantastic range of restaurants that reflects Glasgow’s diverse population. Whether you’d like to enjoy an amazing Asian kitchen, a scoop of Italian ice cream, or a plate of haggis – Scotland’s national dish – we won’t disappoint you. Many places offer a student discount too.

Parks
If you’re looking to relax and escape the city buzz, you’ll have plenty of options. Glasgow is the “Dear Green Place”, as translated from Gaelic, and has over 90 parks and public gardens.

Ashton Lane is a lively cobbled lane on the doorstep of the campus, packed with bars, restaurants and a cinema.

Buchanan Street: part of Glasgow’s Style Mile

Riverside Museum: Scotland’s Museum of Transport and Travel

STUDENT LIFE

We understand that moving to a new country can be a daunting experience. And it’s not just your education, it’s your life. So at Glasgow, we create a world-class and friendly environment where you can feel inspired.

Accommodation
Accommodation Services can help you to find a suitable place to live and we can guarantee you a place in one of our University residences or apartments as long as you apply on time. There are several self-catering options to choose from, all within a 15-30 minute walk of the campus.

Benefits include
• round-the-clock access to trained University Living Support staff
• group insurance cover for your belongings
• membership of the University’s sport facilities included in your rent
• 24/7 internet access incorporating wi-fi in all bedrooms
• managed on-site coin-operated laundries.

Accommodation fees range from around $4,975USD/$6,220CAD* per year for a shared room and $7,575USD/$9,470CAD* per year for a single room with a private bathroom in self-catered student housing, to around $8,390USD/$10,490CAD* per year for a single bedroom with a private bathroom in catered accommodation.

*based on a conversion rate of 1USD = 0.75GBP/1CAD = 0.60GBP

Tel: +44 (0)141 330 4743
Email: accom@glasgow.ac.uk

University Library
Open daily from 7.15am to 2.00am with online access 24/7, the University Library offers 13 wi-fi enabled floors, 2.5 million books and journals and hundreds of PCs.

Get involved
Becoming a member of our University unions, Council, clubs or media can be a great way to discover what you’re good at, pursue your passions, meet like-minded people and boost your employability. We have more than 270 societies for you to choose from, including everything from the Harry Potter Society and Interfaith Society to the GU Charity Fashion Show, so there’s bound to be something that interests you.

Careers Service
From the moment you arrive at Glasgow, you will hear about the wide variety of career events and opportunities. You’ll have the chance to
• meet global recruiters on campus
• learn about volunteering organisations, work experience and part-time work
• gain access to expert guidance and specialised information to help you make informed choices about your future
• get advice from our dedicated International Careers Adviser
• find placements through our Internship Hub.

Your future
Glasgow graduates are in high demand with world-leading employers from all over the globe. Recent North American graduates have found employment with Barclays, Google, Smithsonian Institution and the Organisation for Economic Co-operation and Development (OECD).
Student athletes
The University of Glasgow is home to 50 sports clubs competing in the UK national British University & College Sport (BUCS) league, with around 4,000 students participating at different levels. At elite level, our full-time coaching team can support your training and competition while you study.

Our facilities
Our two purpose-built exercise centres, including a £10m extension opened in 2015, are open seven days a week, early until late. Facilities include:

- a six-lane, 25m heated swimming pool
- sauna and steam room
- Pulse – cardio and resistance gym
- PowerPlay – Scotland’s premier conditioning facility
- sports hall with Fanzone
- Revolve - indoor cycling studio
- activity hall and studios
- six grass and two all-weather synthetic sports fields
- cricket oval
- squash courts
- tennis courts
- over 100 fitness classes every week.

Recreational sport
Everyone is welcome to get involved with sport at Glasgow – regardless of your ability or level of fitness. Even if you do not want to join a team, a gym membership includes over one hundred fitness classes every week, and we offer taster sessions if you want to try something new. With so many activities to try and plenty of post-exertion socialising opportunities available, you can get fit and have fun at the same time.

Scotland’s great outdoors
If you like some fresh air in your fitness regime then you’re in the right place. Clubs such as the Hares and Hounds offer road, cross-country and hill-training runs for all standards, or you could tackle some of Scotland’s fantastic mountain trails with the cycling club. You could even find yourself skydiving, surfing, snowboarding or potholing in Scotland and beyond.

Support for elite athletes
If you’re a talented athlete, we offer a range of services to support you to manage the demands of competing in sport at the highest level while undertaking your degree. We financially support athletes from a wide variety of sports such as track & field, swimming, rowing and snow sports.

See glasgow.ac.uk/sport/talentedathlete

Whether you’re a world-class athlete or a complete beginner, Glasgow has the facilities and expertise to keep you motivated.
Before you arrive
Our International Student Support Team can give you advice on topics including
• immigration and visa
• employment
• finance
• welfare and personal issues.

Find a pre-departure checklist at glasgow.ac.uk/international/support/before

On arrival at Glasgow
Airport arrival
During specific dates in September, the University’s Welcome Team will be at Glasgow Airport to direct you to our transport service.

International student orientation programme
Our orientation programme provides information on the services available to you. You will get the chance to meet fellow students at a social event and take part in a city bus tour. A shorter orientation also runs in January.

Freshers’ Week
Freshers’ Week is a great opportunity to meet new people. It is run by our four student bodies and includes bands and DJs, campus tours, sports taster sessions and the Freshers’ Fair, where you can find out about our range of student societies. See freshersweek.glasgowstudent.net

During term time at Glasgow
International Student Support
Our International Student Advisers can help you with the practical aspects of living and studying in Glasgow, offering confidential advice on a range of matters. We also organise orientation programmes, workshops and activities for you and your family if they are in Glasgow with you. See glasgow.ac.uk/international/support

Advisers of Studies
Your Adviser or Advising team can help you to choose an appropriate syllabus. They can also offer help on more general matters, such as examination regulations, or absences due to ill-health.

Counselling & Psychological Services
We offer a confidential service to all registered students experiencing emotional and/or psychological issues. See glasgow.ac.uk/counselling

Disability Service
We welcome enquiries from any applicant who has a learning difference or chronic health condition. See glasgow.ac.uk/disability
You don’t have to study here for four years to experience Glasgow. Every year we welcome hundreds of students from across North America on our study abroad and exchange programmes.

Our partners
The University of Glasgow has links with leading universities across the US and Canada. We have welcomed students from a diverse range of North American colleges, including
- Boston College
- University of California
- University of Denver
- Duke University
- McGill University
- University of Texas at Austin
- University of Minnesota
- University of British Columbia
- And many more.

Our study abroad networks
In addition to the institutional partners listed above, Glasgow also works with popular study abroad providers such as Arcadia, IFSA-Butler, ISA and our own honours Principia Consortium. See glasgow.ac.uk/principia

Your time in Glasgow
You can study with us for as little as one semester or as much as a full year. You will be able to study subjects across a variety of academic disciplines and you must take a full course load to fulfill our requirements along with those of your home institution. A full load normally means taking 3-4 classes per semester.

International Summer School
Our international Summer School is another great way for you to study with us. Make your summer count by gaining experience and/or credits in a range of subjects. See glasgow.ac.uk/iss

Going abroad from Glasgow
Full time undergraduate students at Glasgow may have the opportunity to spend time abroad as part of their degree. This will give you the opportunity to explore destinations across Europe, Asia and South America while earning credit towards your degree. See glasgow.ac.uk/studyabroad

Glasgow is a lively and vibrant place to study.
Example of MA Joint Honours degree path

The MA (SocSci) and BSc Joint Honours degree programmes follow a similar format.

**Year 1**
Choose three different subjects according to your interests.

- **PHILOSOPHY** LEVEL 1
- **HISTORY OF ART** LEVEL 1
- **POLITICS** LEVEL 1

**Year 2**
Continue with two of your first-year subjects and choose another subject.

- **PHILOSOPHY** LEVEL 2
- **HISTORY OF ART** LEVEL 2
- **CLASSICS (CLASSICAL CIVILISATION)** LEVEL 1

**Year 3**
Specialisation in two chosen subjects in the final two years.

- **PHILOSOPHY** JUNIOR HONOURS
- **HISTORY OF ART** JUNIOR HONOURS

**Year 4**

- **PHILOSOPHY** SENIOR HONOURS
- **HISTORY OF ART** SENIOR HONOURS

Honours degree destination: MA with Honours in Philosophy & History of Art

Example of BSc Single Honours degree path

The MA and MA (SocSci) Single Honours degrees follow a very similar path, with the addition of a new Level-1 subject in year 2.

**Year 1**
Choose three different subjects according to your interests.

- **MATHEMATICS** LEVEL 1
- **PHYSICS** LEVEL 1
- **CHEMISTRY** LEVEL 1

**Year 2**
Continue with two of your first-year subjects.

- **MATHEMATICS** LEVEL 2
- **PHYSICS** LEVEL 2

**Year 3**
You'll study your degree subject exclusively from third year onwards.

- **MATHEMATICS** JUNIOR HONOURS

**Year 4**

- **MATHEMATICS** SENIOR HONOURS

Honours degree destination: BSc with Honours in Mathematics

HOW TO APPLY
UNDERGRADUATE

Apply using either the Common Application* or the Universities & Colleges Admissions System (UCAS).

1 Choose your programme
Browse the degree programmes in this guide or see glasgow.ac.uk/undergraduate

2 Check the entry requirements
Every application is reviewed individually. We will accept a mixture of qualifications to make an offer. Some programmes may have higher requirements than those listed here. Visit our website for full details.

3 Complete your application
Apply either through www.commonapp.org or www.ucas.com.
- Apply by 15 January
- Final deadline for international students 30 June
- For Dentistry, Medicine and Veterinary Medicine programmes, apply by 15 October of the previous year.

4 Interviews/Auditions for select subjects
An interview will be part of the selection process for: Dentistry, Medicine, Music, Nursing, Teaching, and Veterinary Medicine & Surgery.

5 You'll hear from us
We'll be in touch with the outcome of your application.

Entry requirements

International Baccalaureate
Applications with 34-36 points on the full diploma will be considered for admission to most schools, but there are certain exceptions.

US applicants
Method 1
You must achieve
- cumulative 3.0 GPA
- SAT score of 1280 or ACT score of 27 AND
- 2 AP examinations (in relevant/required subjects)

Method 2
You must achieve
- 3 AP examinations (in relevant/required subjects)
- SAT score of 1280 or ACT score of 27 AND

For more information on US entry requirements see glasgow.ac.uk/usa

Canadian applicants
We accept high school leaving qualifications from every province and territory. The normal minimum requirement is 5 or 6 subjects from grade 12 or CEGEP at B or better, or 80% average (dependent on grading system), including relevant subjects where required. Certain schools require a higher standard.

For more information on Canadian entry requirements see glasgow.ac.uk/canada

* Our School of Interdisciplinary Studies is based at our campus in Dumfries. See glasgow.ac.uk/dumfries

* If you are applying for Dentistry, Education, Law, Medicine, Nursing and Veterinary Medicine, or for programmes jointly delivered with the Glasgow School of Art, you must use www.ucas.com

TYPE OF DEGREE
POSTGRADUATE

Study with us and be part of one of the top 100 universities in the world. We offer an inspiring range of postgraduate programmes that can help you to take your understanding of a subject to the next level.

Taught Postgraduate Programmes
If you choose to study for a taught degree programme, you can work towards a Masters degree (e.g., MSc, LLM, MBA, MLitt), a Postgraduate Diploma, or a Postgraduate Certificate. With over 300 options available you’re sure to find something that’s just right for you.

You can view our taught postgraduate programmes at glasgow.ac.uk/postgraduate/taught

Research Programmes
Postgraduate research degrees can generally be divided into Research Masters (MRes) and Doctoral (PhD) degrees. They allow you to undertake a research project under the guidance of an academic supervisor. Admissions to research degrees are usually based on the submission of a research proposal.

You can read more about postgraduate research at glasgow.ac.uk/research/opportunities

Subject A-Z
Subjects you can study at postgraduate level are
- Accounting/Economics/Finance
- Business and Management
- Chemistry
- Computing Science
- Education
- Engineering
- English/English Literature
- Geography/Earth Sciences
- Humanities (Archaeology, Celtic & Gaelic, Classics, Philosophy, History, Art History)
- Law
- Life Sciences (Anatomy, Biological Science, Immunology, Physiology, Zoology)
- Mathematics and Statistics
- Medicine/Dentistry/Veterinary Medicine
- Modern Languages and Cultures
- Music/Creative Arts/Film Studies
- Physics/Astronomy
- Psychology
- Social/Political Science.

Some programmes can be studied as online distance learning. You can find the full A-Z of all postgraduate programmes at glasgow.ac.uk/postgraduate

Study with us and be part of one of the top 100 universities in the world. We offer an inspiring range of postgraduate programmes that can help you to take your understanding of a subject to the next level.

HOW TO APPLY
POSTGRADUATE

To apply for postgraduate study at the University of Glasgow, use our online application form.

Entry requirements
To be considered for one of our taught Masters degrees, you should hold an undergraduate four year bachelor degree, with a minimum GPA of 3.0 from an accredited university or college in the USA or Canada. You should also have high grades in relevant individual subjects.

How to apply
You can apply for postgraduate programmes using our online application form. This can be accessed by clicking “Apply Now” on our individual course pages on our website. You can find the course pages at glasgow.ac.uk/postgraduate

Required documents
To apply for a taught or research postgraduate programme, you need to provide
- final or current undergraduate degree transcript - scanned copy (in colour) of the original document
- two references on headed paper (academic and/or professional – see specific programme entry requirements)
- a copy of your passport (photo page)
- any additional document(s) listed on the specific programme listing at glasgow.ac.uk/postgraduate

For example, if you are applying for a research programme you’ll need to include your research proposal, CV, samples of written work as per requirements for each subject area.

FEES AND FINANCE

We believe that academic excellence should be supported. If you want to join us, you’ll be pleased to know that there’s a range of financial help available.

Tuition fees
Full-time tuition fees start at $23,495/USD/$29,365/CAD* for Arts and Social Sciences students. For a full list of our tuition fees, see glasgow.ac.uk/fees

Cost of living
Everyone has different spending habits, but as a general guide, we would recommend allowing around $15,180/USD/$19,020/CAD* for a single student per year and a minimum of $20,000/USD/$25,000/CAD for a couple. For each child add $4,050/USD/$5,060/CAD per year.

<table>

</tbody>
</table>

In addition to the above, you should include the following amounts annually:
- Books: $465/USD/$585/CAD;
- UK Travel: $400/USD/$500/CAD.

Tuition fees and cost of living varies, but taking the above into account, your estimated cost of attendance without visa and flights is $37,000/USD/$46,250/CAD.

Scholarships
We offer a wide range of scholarships for students coming from North America. We automatically review students for scholarships upon completion of their application to the university. Scholarships range in value from £5,000–£10,000 per annum.

For a full list of scholarships including eligibility and how to apply, see glasgow.ac.uk/scholarships

US Federal Loans
We accept loans through FAFSA and are one of the few UK universities to offer a dedicated US Federal Aid Support Officer.

Contact: Carol.Barnett@glasgow.ac.uk

Federal Aid registration code (FAFSA): 008383

See glasgow.ac.uk/services/registry/finance/federalloans

Canada Student Loans
We accept student loans from the Canadian Government and various provincial/territorial equivalents. Our IE code for your application is PUAV.

Healthcare
All international students studying in Scotland are eligible for medical treatment under the National Health Service (NHS), including prescriptions. All students are covered under the service and pay an annual Immigration Healthcare Surcharge.
VISIT US

While our open days are the best way to find out more about student life, there are plenty of other opportunities to visit our campuses. In addition to Offer Holders’ Day and campus tours, you can also plan your own visit. We look forward to welcoming you soon.

For details about coming to visit us, see glasgow.ac.uk/visitus

CONTACT US

If you’d like to meet one of the team, we’d be delighted to hear from you!

Meet us in the USA and Canada
We have a team of International Officers permanently based in the United States and a network of professional advisers who represent us in Canada. They are on hand to answer your questions about entry requirements, admissions or anything else you’d like to know.

If you would like to meet us, our team in North America travel extensively across a wide range of US States and Canadian Provinces. To find out who represents the University of Glasgow in your area, see glasgow.ac.uk/usa or glasgow.ac.uk/canada

- **West Region: Leann Schmitz**
