

## **GM Risk Assessment forms**

There are now risk assessment forms issued by SEPS for GM work. The forms currently available are:

**Form 1: Proposal and Risk Assessment for Work with Genetically Modified Microorganisms and or Animal Cells Excluding Use of Viruses**

**Form 2: Proposal and Risk Assessment for Work with Genetically Modified Human and Animal Viruses and Viral Vectors**

**Form 3: Proposal and Risk Assessment for Work with Genetically Modified Plant Viruses**

**Form 4: Proposal and Risk Assessment for Work with Genetically Modified Plants**

**Form 5: Proposal and Risk Assessment for Work with Genetically Modified Animals**

**Proposal for Minor Modification to an Approved GM Project**

These can be downloaded from the following link:
