

Environmental Statistics and data analytics training-II.

Training course and workshop: Tuesday January 5th to Friday 8th January 2016

Registration form

There is a number of fully funded places available for NERC PhD students and NERC funded postdoctoral researchers. Priority for the funded places has been given to NERC PhD students. All course attendees should submit the completed registration form and, for non-NERC funded places, attendees should arrange payment as indicated below. **Deadline for registration is 27th November 2015. Deadline for payment is 12th December.**

Notes: there is often a waiting list for places so early registration is advised. NERC funded students do NOT need to make any payment. They will be advised on receipt of their registration form whether they have received a place or are on a waiting list. All others will be informed as soon as possible after the deadline as to whether they have received a place.

Payment (only for non-NERC sponsored participants)

Non-NERC sponsored participants should submit their registration form and will be informed whether they have a place or are on a waiting list. When their place is confirmed they should then arrange to pay the registration fee.

Fees

The training course and workshop fee is £450 per person which includes coffees/teas, lunches, course notes and two dinners.

If you wish to make payment for more than one person from your institution/organisation then please clearly list all names on the back of this form. **Payment must be received by 12th December 2015.**

The completed form should be emailed to maths-stats-events@glasgow.ac.uk.
