

College of Social Sciences Learning and Teaching Plan 2015-16

The College vision "...to develop and inspire an engaged learning community with a global mindset, sensitive to the multicultural learning and work environment, confident and competent in contributing to the socio-economic development of Scotland and beyond."

Focus for 2014-15 has been

- Assessment & Feedback
 - LEAF project (ASBS)
 - Staff seminars/workshops for CoSS
 - Audio feedback pilot
- Employability / Graduate Attributes
 - Range of initiatives (guest speaker, internships, WRL)
- Student Experience
 - Especially in ASBS
- Enterprise
 - Enterprise officer to work with student societies
- Internationalisation
 - Transition support for GIC students
 - New GIC intern and 0.6 FTE member of staff
- TELT
 - E-assessment projects (& interns)
 - Distance / blended learning (2 BOLD – one Masters in Law and one in Research Methods) School of Law and Education pro-active with MOOCs

Priorities for 2015-16

- Assessment & Feedback
 - CoSS Project & LEAF (especially Law)
 - Sharing good practice
 - Expansion of audio feedback pilot
 - Expansion of AMS (Teleform) and employing technical staff to support
- Employability / Graduate Attributes & Personal Development
 - Response to NSS & PTES
 - CoSS Project, link with Advising
- Internationalisation
 - Internationalising the curriculum (University Strategy) – mainly 2016-17
 - Review of the Undergraduate degree programmes within the Business School
- "*Focus*" theme as applied to programme offerings (especially PGT) and strategic choices re distance portfolio
- TELT – ongoing Distance Learning & BOLD projects, MOOCs implementation, evaluation and strategy for the future & staff support generally

- Student Experience
 - Advising Review (x5) & NSS/PTES
 - The experience should drive the plan and not surveys
- Staff Experience
 - 'Agility & People' course
 - Coordination/administration review – create space for enhancing L&T and supporting cultures
