

**Information Sheet (Children)**

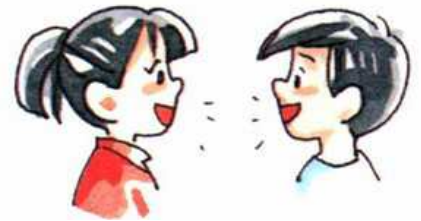

**Study title:** Children's social behaviour in a clinic waiting room YRSS/PSG 2015

**Chief Investigator:** Professor Helen Minnis

You are being invited to take part in a research study. Before you decide it is important for you to understand why the research is being done and what it will involve. Ask us if there is anything that is not clear or if you would like more information.

**What is the study for?**

We would like to get a better understanding of children's social behavior with strangers.

**Why have I been invited?**

You have been invited because you go to Glendale Primary School or [*yet to be determined*] Primary School. We are inviting 200 children to take part.

**Do I have to take part?**

It is up to you to decide whether or not to take part. If you decide to take part you are still free to stop at any time and without giving a reason.

**What will happen to me if I take part?**

You will be given some drawing to do while your mum/dad/caregiver answers some questions with some researchers.

**Thank you for reading this information sheet. If you have any questions please ask us!**
