# WELCOME

Welcome to your Overseas Immersion Programme at the University of Glasgow.

We are delighted that, as part of the University of Glasgow community, you will be joining us to study at our beautiful Gilmorehill campus in the West End of Glasgow this summer and hope you will be inspired within our world-class learning environment.

The University of Glasgow is proud to be in the top 100 universities in the world, with a history of teaching and research excellence dating over 565 years. As well as being an academic visit, we hope your immersion programme will be a valuable time for you to experience Scottish culture and get to know Glasgow and its surrounding area. An excursion has been planned for you to nearby Loch Lomond during your stay and a traditional Scottish ceilidh (pronounced kay-lee) organised as a farewell on your final Friday.

Please take the opportunity to enjoy our first-class facilities during your stay and make the most of being in Scotland's largest and most cosmopolitan city. Home to stunning scenery, world-renowned galleries and music venues, and some of the best shopping in the UK outside of London, hopefully you will quickly feel right at home in the world's friendliest city.

On behalf of the University, I wish you every success in your studies and hope you return to Singapore with plenty of happy memories from your time in Glasgow.

Best wishes,

**Professor Trevor Hoey**  
Dean, University of Glasgow Singapore

# BEFORE YOU LEAVE HOME

## Short-term Study VISA

You will have been briefed by SIT staff on VISA applications and requirements for entry to the UK. Please remember that all students, including those that have not had to apply for a VISA before travelling, will still be required to demonstrate that they meet the visa requirements for the short-term student category on entry to the UK.

**Please ensure that you bring all of the necessary documentation as previously instructed, including your UofG letter confirming your student status; proof of your accommodation booking; and a copy of return flight booking, and ensure that this is readily available in your hand luggage in case you have to show them to an Immigration Officer on arrival at UK Border Control.**

Please note that the rules for this visa state that students should intend to leave the UK at the end of their study or at the end of 6 months, whichever is sooner.

## MyCampus contact information

It is important that you keep your personal information up to date in the MyCampus system. Please ensure that, in particular, you include the contact telephone number that you can be contacted on when in Glasgow and make sure your emergency contact details are up-to-date.

## Money

If you bring £10,000 or more in cash, or the equivalent in another currency, to the UK from outside the European Union (EU) you must declare it.

Cash includes notes and coins, banker's drafts and cheques of any kind (including travellers' cheques). For details see: [gov.uk/bringing-cash-into-uk](http://gov.uk/bringing-cash-into-uk)

When you first arrive in the UK, you will need money almost immediately. If possible, have cash in British currency as well as an international credit card or sufficient travellers' cheques to cover your initial expenses. Travellers' cheques can be cashed at airports, railway stations, banks and bureaux de change. Avoid carrying too much cash in case it is lost or stolen.

ATMs are widely available, both in the arrival hall of the airport, and on campus. In addition there are a number of banks close to the University.

# BEFORE YOU LEAVE HOME

## Food and plant imports to the UK

There are strict controls on bringing meat, milk, fish, shellfish, plants and other products into EU countries. If you are stopped by UK Customs and Port Health Officers, any prohibited items will be seized and destroyed and tough penalties can be imposed.

For full information on what you can and cannot bring into the UK, see: [gov.uk/bringing-food-animals-plants-into-uk](https://www.gov.uk/bringing-food-animals-plants-into-uk)

The same link will provide you with information on bringing a pet with you.

## Travel abroad (non-EEA nationals)

If you are thinking of travelling to Europe before or after the OIP, then please note carefully the following points before leaving:

- **Check that your passport is valid for at least six months from your date of arrival.**
- **Please remember to take your passport and your ID card (if you have one) when you travel.**

It is important that you keep your passport safe (perhaps ask your family or friends to safely store a copy for you). We also recommend emailing a copy of your passport to yourself. If your passport is stolen or lost, please refer to the information on the International Student Support webpages at: [glasgow.ac.uk/international/support/immigrationandvisas/lostpassportsandvisas](https://glasgow.ac.uk/international/support/immigrationandvisas/lostpassportsandvisas)

## If you have a Disability

It is advisable to contact the Disability Service as soon as possible to ensure that support can be put in place as soon as you arrive in Glasgow.

The Disability Service can arrange support strategies for students after an individual needs assessment interview. Students who register with the Disability Service may be asked to provide medical evidence of their disability.

The service is located at 65 Southpark Avenue and is open 0900–1700 on weekdays. To make an appointment, tel **+44 (0)141 330 5497** or email: [disability@glasgow.ac.uk](mailto:disability@glasgow.ac.uk). For more information, visit: [glasgow.ac.uk/disability](https://glasgow.ac.uk/disability)

## Insurance

You have been advised to take out comprehensive travel insurance, including medical cover, before travelling to cover the duration of your visit. Students living in University owned property are covered at a basic level by a block insurance policy. You should check that this will provide adequate cover for your personal belongings.

## What to pack

Student dress is informal. Summers in Glasgow are warm but Scotland is also known for its unpredictable weather so make sure that you also bring layers of clothing, waterproof shoes and clothing/umbrella.

The climate of Glasgow is characterised by its temperate nature. Periods of extreme heat or cold are infrequent and usually last for a short duration. Rainfall may occur during all seasons and rapid weather changes may take place over a period of a few hours.

# ESSENTIALS

## Money

### UK currency

One pound sterling (£1) equals one hundred pence (100p). Coins issued are 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2 and notes primarily to the value of £5, £10 and £20. Scottish banks issue their own notes and these are accepted as legal tender in Scotland as well as English bank notes. Scottish banknotes are legal tender throughout the UK however some retailers are reluctant to accept them outside of Scotland. If traveling around the UK request Bank of England notes.

### Cost of living

Here is a rough estimation of living costs based upon an OIP student staying in self-catered University of Glasgow accommodation.

### Per week

Food:	£50
Bus etc:	£20
Laundry:	£5
Entertainment:	£30 – £40

### Banks

The main Scottish banks are: The Bank of Scotland, The Royal Bank of Scotland, The Clydesdale Bank and TSB Bank. Some bank branches are located near the University locations. Several international banks are represented in Glasgow including:

- **Allied Irish Bank**, 227 West George Street (tel: +44 (0)141 226 4421)
- **Bank of China**, 450 Sauchiehall Street (tel: +44 (0)141 332 3354)
- **United National Bank**, 11 Gibson Street (tel: +44 (0)141 341 0555)
- **HSBC**, 2 Buchanan Street (tel: +44 (0)8457 40404)

### Credit cards

Most credit cards (Visa/Mastercard) will be accepted in shops/restaurants. These are also accepted by the University of Glasgow for payment of Housing and Tuition Fees.

### Cash machines (ATM)

Many ATM machines in the UK will allow you to withdraw money from your accounts back home (if they have the CIRRUS/VISA) symbols. Check this with your bank before you leave your home country. Additionally check your withdrawal limit while you are in the UK.

If you intend to use a cash card from your own country, please check with your bank that it will be compatible with UK machines. There are many ATM's throughout Glasgow and Dumfries and also some situated on the campus:

- **Level 1 of the Fraser Building**
- **Ground floor of the John McIntyre Building**
- **Ground floor of the Queen Margaret Union (QMU)**
- **Basement of the Glasgow University Union (GUU)**

### Travellers' Cheques

These can be cashed at any bank, post office or travel agent, most of whom will charge commission. The American Express shop at 66 Gordon Street, in the city centre opposite Central Station, cashes American Express Travellers Cheques free of commission. Since they are not widely accepted by shops, it is best to cash them at one of the above locations as required.

### Pre-paid currency cards

It is possible to use pre-paid travel cards which can be loaded with local currency before you travel. A prepaid card is similar to having cash and your money is safe if your card is lost or stolen because the card can be blocked by the provider and replaced fairly quickly. Please check the terms and conditions with the card provider.

# THE HUNTERIAN

The University is home to a world-class collection on campus at its Hunterian Museum and Art Gallery. Founded in 1807, the Hunterian is Scotland's oldest public museum and is one of the leading university museums in the world.

You can visit the collection to enjoy amongst others, the work of James McNeill Whistler and Charles Rennie Mackintosh, including the Mackintosh House, the reassembled interiors from his Glasgow home.

# SPORT AND LEISURE

## Sport & Recreation

The University's Sport & Recreation Service has two purpose-built exercise centres which are open seven days a week, early until late.

Your accommodation stay includes full, unlimited membership of the Sport and Recreation Service, allowing access to the University gym and sports facilities. The gym, including swimming pool, activity hall and squash courts, is located within the Stevenson Building on the main campus. Students gain access to these facilities using their UofG student ID card, so you must bring this with you on every visit.

## City of Glasgow

With a wealth of cultural attractions, impressive architecture, fantastic shopping and world-class events, it is easy to understand why Glasgow is firmly established as one of Europe's most exciting destinations. As the UK's third-largest city, you'll be inspired by all the things that the city of Glasgow has to offer.

## Green spaces

Glasgow's wealth of green is a welcome surprise. Enjoy the green spaces on campus and Kelvingrove Park is right by the University. Nearby also discover the Botanic Gardens and walks along the River Kelvin.

## Discover the city by bike

An interesting way to discover the city is to rent a bike from one of the city's new cycle stations. The rental is currently free for the first 30 minutes and £1 an hour (capped at £5 for up to 24 hours). There are cycle stations all over the city, including one at the University, just outside the Wolfson Medical School.

## Student Unions

There are two student unions on campus – Glasgow University Union and Queen Margaret Union. Both have libraries, cafeteria facilities, bars and shops and they regularly hold music events and other forms of entertainment.

## Gilchrist Postgraduate Club

This is a dedicated space at the entrance of the Main Building for students to socialise and study. At the weekends and during the summer the space is open for non-postgraduates.
