

Assistance Dogs

We are pleased to be able to offer residential accommodation for students with Assistance Dogs as detailed below. Should you have any queries regarding this, please contact a member of the Accommodation team.

1. Assistance dogs must be certificated Assistance Dogs and owners should be able to provide evidence of this upon request.
2. Accommodation available is in a one bedroom self-contained flat, located at either Wolfson Hall or in Student Apartments.
3. Assistance Dog owners should ensure that their dogs do not enter other students' private spaces, including flats and bedrooms with University Residences, without permission.
4. The provision of accommodation is for students with Assistance Dogs only; no other pets, including Therapy pets, are permitted in University of Glasgow Accommodation.
