**THE CLERGY STALLS**

1. Eithne M. Johnston

*Via Veritas Vita* is the motto of the University of Glasgow – the way, the truth, the life. The lettering and designs are taken from *The Book of Kells.*

2. Jean M. Millar

This was the first design to be worked out, and was used as a sample for the others. It contains the symbols which make up the University coat of arms.

This design has been used for the second of the Clergy Stalls and the Two Macers' Stalls.
