Induction is an important introduction to University life and all new students are expected to attend. In the coming weeks and months, you will face many things that are new to you, most of which will be exciting but may, at first, seem challenging and potentially confusing. With induction we aim to provide clarity on what you need to know to support and facilitate your successful progression into University life.

The induction will be led by the Head of Learning & Teaching, the Effective Learning Adviser for the College of Medical, Veterinary & Life Sciences, and the School Student Support Administrator.

Please attend at the following times:

Students with surnames A-L: 1000-1200
Students with surnames M-Z: 1400-1600

**TUESDAY, 17 SEPTEMBER 2019**

| TOPIC: Welcome to the School of Life Sciences | TIME: 1000 – 1200 OR 1400 - 1600 | VENUE: Lecture Theatre B419 Joseph Black Building |

**EACH SESSION WILL INCLUDE**

- A welcome to the School of Life Sciences
- An interactive session to share concerns
- Questions and Feedback
- Presentations from the Head of Learning & Teaching and Effective Learning Adviser
- Information about Advisers of Study, Work Placement, Study Abroad and Graduate Attributes
