Everything you need to know
Check out glasgow.ac.uk/newstudents for everything you need to know before and after you arrive at Glasgow.
REGISTRATION

Registration is the process of registering academically AND financially with the University. To become a fully registered student of the University, you must register online.

You will need to register every year before the start of your programme of study, using MyCampus – the University’s student information system. You will receive full details of how to log into MyCampus by email before the end of August.

The email will contain details of your Glasgow Unique ID (GUID), a temporary password and access to your student email. Once you have received this you should complete as much of registration as you can in advance of coming to Glasgow.

The steps are:
1. Check Email
2. Access MyCampus
3. Academic Registration
   (NOTE: You may start Enrolment any time after completing Step 3)
4. Financial Registration
5. Student Visa Registration
   (International Students Only)
6. Collect Campus Card

Student Visa Registration (International Students Only)
When you arrive on campus you must present your passport and a valid visa, or evidence of making an in-time visa application. If you used the 2HE499 ACL code in your visa application, you will be able to collect a Biometric Residence Permit from the University, otherwise you need to visit a Post Office. Find out more at glasgow.ac.uk/tier4

Campus Cards
Your Campus Card grants you access to University facilities such as the library and sports facilities, and will entitle you to student discounts in a wide variety of shops, bars, cinemas and online. Your Campus Card will be available for collection once you are fully registered.

Find out more at glasgow.ac.uk/registration
Enrolment is the process for selecting courses for the year and building your timetable in line with your Programme requirements. Most students will enrol using MyCampus Self Service.

You will only be able to enrol on courses once you have completed academic registration. You also need to enrol every year prior to the start of study.

MyCampus provides guidance on the compulsory, recommended and optional courses available to you as you go through the enrolment process.

Meanwhile, guidance videos about your degree structure and subject choices for your programme of study are available at glasgow.ac.uk/degreestructure

Once complete, you will have a Year 1 plan for your programme of study, made up of a timetable of classes for each subject.

Please complete as much of enrolment as you can before coming to Glasgow. However, help will be available when you arrive, from the Registration & Enrolment Support Team and your College / School Adviser of Studies or Advising Team.

INDUCTION & ORIENTATION

The UofG Welcome includes more than 300 non-teaching activities and events to help you settle in to University life. Regardless of whether you are a new undergraduate or postgraduate student, everyone is welcome and encouraged to attend the following:

Welcome to Glasgow
Discover, take part in, and enjoy Freshers’ Week (16-20 September), Postgraduate Fortnight (16-27 September), and your Academic Induction to get off to the best possible start.

Check out the wide range of events organised by our four student bodies: freshersweek.glasgowstudent.net and gilchristpgclub.org/WelcomeFortnight. From the famous Freshers’ Address, amazing bands, DJs and comedy, to all kinds of dancing, campus tours and taster sessions, including the essential Freshers’ Fair, this is your time to start settling in, make friends and discover what’s on offer.

The International Student Welcome Team will be at Glasgow Airport from 10-15 September with Orientation starting 12 September. Registration required by 29 August.

Local Student Orientation Day is 13 September and we will email you if you are eligible to attend.

Academic Induction
Not to be missed, your academic induction will introduce you to academic and support staff as well as your fellow students.

Attend your academic induction to:
• Find out about your programme of study and what is expected of you
• Hear what you can expect from us
• Learn key information about the campus, your facilities and student representatives

Most timetables will be available in the New Student Welcome app and at glasgow.ac.uk/newstudents/induction. If yours is not listed, your programme or subject area will inform you directly via email.

Download the New Student Welcome app for all this and more: guidebook.com/g/uofgnewstudent2019

FRESHERS’ HELPERS
Look out for students in brightly coloured t-shirts offering help and support

‘ASK ME’
Ask staff wearing pink “ASK ME” badges or lanyards for help during the beginning of Semester
GLASGOW: YOUR NEW HOME

With a wealth of cultural attractions, impressive architecture, fantastic shopping and a year-round programme of world-class events, Glasgow is one of the world’s top student destinations, and has loads to offer you.

Getting around
It’s easy to travel around Glasgow, whether you choose to walk, take the bus or use the subway. Our subway system connects our main campus in the West End to the city centre in under 10 minutes.

Shopping
It’s no surprise that Glasgow is consistently voted the top place to shop in the UK outside London. The city’s retail centre has a ‘style mile’ containing big-name shops as well as designer outlets and quirky vintage boutiques.

Sports
Our sports facilities have never been better; from the Chris Hoy Velodrome and national football stadium Hampden Park, to an indoor snowboard and ski slope and ice arena, you’ll be spoilt for choice.

Parks
Glasgow, the “Dear Green Place”, as translated from Gaelic, has more than 90 parks and public gardens. Plenty of options to take your study materials or a good book outside!

Culture
For culture vultures, the city is home to more than 20 world-class museums and art galleries, and is proud to have Europe’s largest civic arts collection available to view free-of-charge in venues around the city.

Eating out
The city’s fantastic range of restaurants and cafés reflects its diverse population. Whether you’re after an amazing Asian kitchen or a scoop of the creamiest Italian ice cream, Glasgow won’t disappoint. Many eateries offer student discounts too.

Nightlife
From catching global superstars at the 13,000 capacity SSE Hydro, to local indie bands at legendary King Tut’s, Glasgow caters for all music tastes. Glasgow’s nightlife is unrivalled, with the city boasting more than 700 bars, pubs and nightclubs and seven cinemas. There’s also an impressive mix of theatres and comedy clubs.
