

# 'Beyond Development: Local Visions of Global Poverty'

## **Round Table 1:** History for sustainable futures

4 May, 11 – 12.00, Pearce Institute

### **Key Questions**

1. How can history be used as a tool of social justice to fight poverty (especially the process of impoverishment and the stigmatisation of poverty)?
2. How can historical practices, such as archiving, help with the sustainability and longevity of anti-poverty organisations?
3. What alternative ways of fighting poverty does history show us?

**Key Participants:** Kait Laughlin, Valerie Wright, Damien Dempsey, Elodie Sellar

**Chaired by:** Julia McClure

### **Structure:**

Round 1 introductions

Round 2: response to questions

Round 3: open discussion
