Arrival and reception arrangements

From Wednesday 8 January to Friday 10 January, the University of Glasgow Welcome Team will be based at the Welcome Desk on Level 1 of the Fraser Building, from 0900-1700. Please visit them for information, advice or help with contacting another service, and to collect your Orientation Arrival Pack on 9 January containing your tickets for events you have booked. If you arrive on 8 January, please feel free to collect your pack from the Welcome Desk earlier.

Outwith these times, staff at the Gatehouse (see map, pages 13-14) which is open 24 hours a day, will help with any emergency situations.

Arriving by air: Glasgow Airport
Transport options from the airport are easy to find and services are frequent.
Another option would be to download the Glasgow Taxis app to your phone - see www.glasgowtaxis.co.uk/passenger-services/smartphone-apps.
Travelling by bus is a cheaper alternative, but is not so convenient, particularly if you have a lot of luggage. Buses run every ten minutes and will take you into the city centre. The cost is £8.50 for a single ticket if you buy on the bus, or £8 by using the First Bus app. You should then take a taxi to your residence from the city centre - the journey will cost approximately £8.

For more information on Glasgow Airport transport links visit: glasgowairport.com

Arriving by air: Prestwick Airport
There is a regular train and bus service to Glasgow from Prestwick Airport. The journey will take about an hour. Show your flight ticket when buying your train ticket to receive 50% discount on the standard train fare.

For details of timetables and costs, visit: glasgowprestwick.com
