Information – Interviews for the M Educ (Education with teaching Qualification)

Prior to the interview

Before the interview you will be sent information about the course and a question to prepare. The question is about Religious Education. There is a choice of question depending on whether you wish to teach in a Catholic school of a Non – Denominational school.

On the day of the interview

* There is a group presentation - a bit like the presentation you watched me give earlier.

* A written task - you have 30 mins to write on a topic like - Why is education important?

* Individual interview - 5 questions (including the prepared question) the interview lasts about 15 minutes

The questions

Q1 - is the prepared question about religious education.

Q2-5 These are about your skills, work experience, why you want to be a teacher etc. These questions are not sent out in advance.

Preparing for the interview

- Try to get some experience working in school
- Chat to other teachers about the teaching profession
- Look at the Scottish Government Education website
- Read about the Curriculum for Excellence
- Read about current debates in Education, not just in Scotland.
