

ANTI-VeC Network Membership 2020

ANTI-VeC Membership

Currently more than 469 members have joined our Network across 60 countries. The majority of our members come from the following 6 countries:

Country	Members
United Kingdom	161
Nigeria	37
Kenya	36
Burkina Faso	30
Tanzania	26
Cameroon	26

Our membership list is updated on a monthly basis and is distributed to all members via the ANTI-VeC Newsletter.

You are an active member from the date of your online application submission, subject to the approval of the Network Executive Committee. Once your membership is approved, you will receive an email from the ANTI-VeC Admin Team. Please see the Terms & Conditions <https://www.gla.ac.uk/research/az/antivec/join/> for more information.

Membership details

Please make sure that the information stored in your profile is up to date.

If the email address you provide during the registration process becomes invalid and emails sent to you by the Network Manager or the ANTI-VeC Admin Team, result in a Delivery Notification Status (failure) response, your membership will be considered to have lapsed and your details will be deleted from our databases.

If you wish to terminate your membership you should contact the Network Manager.
