

Gender Based Violence Research Resources in Scotland: 2020

This resource list details Scottish GBV-related research articles and reports published in the past five years. It has been prepared by the [University of Glasgow GBV Research Forum](#). The publications listed have been divided into thematic categories, though some are relevant to more than one category. Where resources are available online, hyperlinks have been included. Some journal articles require subscription, but a free pre-publication version of the article may be found on the homepages of academic authors.
