We would urge passengers travelling through Glasgow Airport to make themselves aware of the most recent government guidance, which can be found here. The latest travel advice can be found on the Foreign and Commonwealth office website.

Simple steps to avoid catching or spreading COVID-19 include:

- Wearing protective facial coverings and those who don't have will be able to access them in the terminal.
- Anyone who is experiencing Coronavirus (COVID-19) symptoms or feeling unwell should not travel to the airport.
- Washing hands with soap and water often and for at least 20 seconds
- Always wash your hands when you get home or into work
- Use hand sanitiser gel if soap and water are not available
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Put used tissues in the bin straight away and wash your hands afterwards
- Try to avoid close contact with people who are unwell

Passengers arriving and travelling through the terminal are asked to respect physical distancing.

Immigration

Please follow the signs and make your way to the baggage reclaim area via passport-border control (UK Border Force). Have your passport and all relevant documents ready – this will help speed up the process and reduce the amount of time you have to queue.

If you have items to declare

- Please go to the Customs red point.

If you have nothing to declare

- If your journey started in a European Union country, use the blue exit.
- If your journey began outside the European Union, use the green exit.

Students should be aware that due to the Covid regulations and the need for social distancing that waiting times at the immigration control desks may be lengthy and up to 2 hours.

So please plan for onward journey accordingly with this in mind
