This guide explains how to fill out some of the questions on the Student visa application form.

You can start completing the form with your personal information while you are waiting for the CAS. You can save the form and return to it later.

If you would like an ISS Adviser to check your form and documents please stop at the Declaration page and log out.

Use your passport ID page to answer questions about yourself, such as name, passport details etc.

Use your CAS to answer questions about your course title, level of study, if you need an ATAS certificate etc.

Use your BRP / visa to answer questions about your current visa / leave for the UK.
Choose the correct Student visa application form based on the current type of visa you are holding:

If you are currently holding a Tier 4 or Student visa click [here].

If you are holding another visa type that is eligible to switch into a Student visa inside the UK, click [here].
The Complete guide covers the questions on the application form that are sometimes difficult for you to know how to answer.

As mentioned before, use your CAS, passport and BRP details by copying the information from these documents to answer most the questions on the application form.
