Glasgow College, UESTC provides students with a fantastic opportunity to be taught by two world-class Universities and graduate with dual degrees. Our students have a number of options of study available to them, allowing you to tailor your undergraduate environment depending on what academic and social experiences you are seeking.

You can be taught by experts in their field from the University of Glasgow (UofG) and the University of Electronic Science and Technology of China (UESTC) without leaving Chengdu, completing all four years of study in China. Alternatively, you can travel overseas to join UofG’s James Watt School of Engineering from Year 3 of your study.

2+2 programme
Our 2+2 programme gives the option to join UofG’s James Watt School of Engineering for years 3 and 4, allowing you to immerse yourself in Scottish culture and gain the unique academic experience of being taught in two different countries.

3+1 Programme*
We also offer an option for students to complete Year 4 of their degree in Glasgow on our 3+1 Programme. *This programme is subject to approval.

Your learning environment
From the moment you arrive in Glasgow, you’ll be taught by dedicated and passionate academics in a flexible and innovative learning environment. We also have advisers who can help you develop your academic skills by offering classes and one-to-one consultations on a range of topics.

Revolutionising your teaching and learning
We’re creating a campus to inspire the next generation of world changers. A 14-acre site beside our main campus is being developed with a planned total investment of £1 billion. Our flagship James McCune Smith Learning Hub is the first building to be delivered through our campus development programme.

The £90m building will include flexible learning spaces and technology-enabled teaching resources. As well as increasing our teaching capacity, this modern study space will offer flexible spaces for clubs and societies, conferences and events, becoming the student-focused heart of the campus.

- Round-the-clock access
- Capacity for 2,500 students
- 500-seat lecture theatre
- Interactive teaching spaces
- Café

Contact with Experts
To help you develop the ability to direct your own learning, you may experience a range of types of teaching contact:
• Large sessions led by lecturers provide a foundation for knowledge
• Small-group tutorials with students and a tutor offer in-depth analysis
• Larger-group seminars allow intensive discussions and student presentations
• Hands-on practical or laboratory sessions develop subject-related skills

Maximise Your Academic Abilities
Advisers in Student Learning Development (part of the Learning Enhancement and Academic Development Service (LEADS)) will help you with your academic skills throughout your University career. We provide:
• Classes and one-to-one consultations for all students
• College specific guidance e.g. on essay and dissertation writing, exam preparation, and research
• Dedicated International Writing
• Advisers for undergraduate and taught postgraduate students
• Specialised guidance for Mathematics and Statistics programmes.

STUDENT LIFE

Get involved
Joining student clubs and societies is a great way to learn new skills and make friends. The Students’ Representative Council (SRC) offers more than 250 clubs and societies, from a Charity Fashion Show to TEDx to Physics, as well as over 40 volunteering opportunities. See glasgowstudent.net.

Choose from two unions
Queen Margaret Union hosts new music, local bands, big-name acts, student-run club nights and a variety of events from quizzes to open mic nights and a spoken word night. It is also home to two catering outlets. See qmunion.org.uk.
Glasgow University Union has everything a student needs within the stunning old Union building and purpose-built extension nightclub, with no fewer than nine bars, two libraries, a debating chamber, snooker and pool hall, convenience store, two cafes and a coffee shop. See guu.co.uk.

Over 50 sports clubs cater to all skill levels and abilities.

Accommodation and Living Costs
You will need to cover the cost of your travel, accommodation and living costs while at UofG. You may apply for University accommodation, subject to availability, which is an excellent way to make new friends with other University of Glasgow students and offers round-the-clock access to trained University Living Support staff.

While your living costs can depend on personal preferences and lifestyle, our International Student Support team has helpful guidance on the costs to expect in considering your decision to study in the UK.

TIME OUT NAMED GLASGOW 1ST FOR FRIENDLINESS AND AFFORDABILITY (2019)

Ashton Lane, a lively cobbled lane next to the University which is packed with bars, restaurants and a cinema.

West End
The University’s main campus is nestled within Glasgow’s cultural West End, home to bohemian Byres Road and the Instagrammable Ashton Lane, both great spots to explore.

Museums and Art Galleries
Glasgow has over 20 fantastic museums and galleries. Special mention to The Hunterian, which is located on campus and home to one of the largest collections outside the national museums.

Sports
Glasgow is synonymous with sport. In fact, the city recently won the award for the world’s “Best Small City for hosting sporting events” (SportBusiness International, 2018). See peoplemakeglasgow.com.

Music and nightlife
As the UK’s first UNESCO City of Music, Glasgow is a place where music is not simply confined to the four walls of venues – it’s the beating heart of the city. Our top picks are:
• Barrowland Ballroom
• King Tut’s Wah Wah Hut
• SWG3
• The SSE Hydro

Eating out
Glasgow has an ever-evolving food and drink scene, with options to suit all tastes and pockets. The Finnieston neighbourhood (next to the University) is considered the city’s “foodies quarter” with a brilliant mix of cool, quality and affordable venues.

*Pollstar, 2019

The SSE Hydro is the world’s second-busiest arena venue (Pollstar, 2019).

PEOPLE MAKE GLASGOW

Parks
With a name meaning “Dear Green Place” in Gaelic, the city has over 90 parks and gardens to explore, with many housing some of the city’s top attractions.

Shopping
Glasgow is a shopper’s paradise and caters for all tastes and budgets, from high street brands and vintage wares to one-off speciality stores and exclusive designer gear.

*Pollstar, 2019
Outdoor Activities
Scotland’s land and coast were made for exploration and adventures. From world-class watersports and walking, to cycling and mountain climbing, the possibilities for getting active in Scotland’s magnificent great outdoors are endless.

Attractions
Scotland is filled with attractions to suit every taste and budget, including iconic castles, world-class museums and galleries, fascinating heritage sites and beautiful gardens.

Beaches
You’ll find some of the UK’s most spectacular beaches dotted along Scotland’s entire coastline.

Film and TV Locations
Scotland has played a starring role on the big and small screen, as the filming location for top films and TV shows including Outlaw King, 1917, Skyfall, Outlander, Harry Potter and upcoming The Batman. In fact, the University itself is frequently used as a filming location and as a result will host the first major academic Outlander conference in June 2020. See visitscotland.com.

Our Top 5 Events in Scotland

Hogmanay
No other nation celebrates the New Year quite like Scotland. Ring in the bells at traditional and unique events like Edinburgh’s Hogmanay, Inverness’s Red Hot Highland Fling, Stonehaven’s Fireballs, Biggar Bonfire and The Kirkwall Ba’ Game in Orkney.

TRNSMT Festival
Hosted in Glasgow, TRNSMT is Scotland’s biggest music festival. Welcoming 150,000 fans across one incredible weekend, it attracts some of the biggest artists in the world.

Edinburgh Festivals
Over the summer, seven spectacular festivals take place in Scotland’s capital including the world-famous Fringe, the largest arts festival in the world.

Burns Night
Scotland celebrates its National Bard, Robert Burns, every year on and around 25 January. Special events include the Burns An’ a That Festival across Ayrshire but it’s likely you’ll find “haggis, neeps and tatties” on the menu in most Scottish eateries up and down the country.

Highland Games
Experience Scottish culture and traditions at over 70 events across the country, taking place between May and September.
2+2 STUDENTS WILL BE OFFERED COMPLIMENTARY ADMISSION TO THE GLASGOW COLLEGE, UESTC RESEARCH SUMMER SCHOOL.*

Eligibility
To join us here at Glasgow, you will need to successfully complete Years 1 and 2 (2+2) or Years 1, 2 and 3 (3+1) of your programme at the Glasgow College UESTC with a GPA of at least 12 (equivalent to band C3) on the University of Glasgow 0-22 point grading scale in the first three semesters.

Unfortunately students with outstanding resits will not be eligible to apply. Please note that students must meet the progression requirements of their programme, as well as the English language requirement, to be accepted onto the 2+2 or 3+1 programmes at UxG.

Tuition Fee
The fees due per academic year for study via the 2+2 and 3+1 arrangements are: 60,000 RMB to the Glasgow College, UESTC plus a specially discounted undergraduate international student fee to University of Glasgow.

For the 2021/22 academic year, the fee is £15,400 payable to the University of Glasgow plus 60,000 RMB payable to the Glasgow College, UESTC.

How do I apply?
To apply, please contact Intglasgow@uestc.edu.cn as a first step. Your application will be reviewed and an offer of study made to those eligible conditional on meeting progression requirements at the end of the academic year.

The deadline for applications is 31st March 2021.

English Language Requirement
Students applying to study at the University of Glasgow via the 2+2 or 3+1 arrangements must have met the Glasgow College UESTC English language progression requirement at the end of Year 2.

Scholarships
A scholarship of up to 15,000 RMB per annum is available from UESTC to support you on the 2+2 and 3+1 programmes.

*This is applicable to students on the 2+2 programme only and does not apply to the 3+1 programme.
