Permanent Partial Disablement
In the event an Insured Person sustains Bodily Injury which does not result in a payment under items 1-4a of section A and item 4b of section A is shown as being operative on the Schedule, the Company will pay an amount for Permanent Partial Disablement for the amount shown under this extension or as a percentage of the Sum Insured for item 4a of section A shown on the Schedule, depending on the degree of permanent disability following a medical assessment. The percentages of the Sum Insured payable under item 4a of section A for specific disabilities are:

Specific Disabilities
A. Permanent severance or permanent, total and irrecoverable loss of use of:
   i) one thumb 30%
   ii) forefinger 20%
   iii) any finger other than forefinger 10%

Additional Payments
C. Paraplegia £50,000
D. Quadriplegia £125,000
E. Hemiplegia £25,000
F. Tripelgia £75,000

Non-specified injury assessment
a) If the Insured Person suffers Bodily Injury to a part of the body that is listed on the Schedule, items 2-4a of section A or listed under items Ai)-ix) contained within the specific disabilities table above.

The Company will ask the Medical Consultant, Medical Practitioner or Medical Specialist who treated the Insured Person’s injury to assess the degree of their post-Accident impairment and disability and explain their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide the Company with justifiable evidence to support their assessment, the Company will appoint an independent Medical Specialist to make this assessment. This may require them to examine the Insured Person and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.
The Company may also ask an independent Medical Specialist to examine the Insured Person and/or review their medical records and other medical reports to obtain a second opinion. The Company may also ask the Insured Person’s treating Medical Consultant, Medical Practitioner or Medical Specialist to review and comment on the assessment made by the independent Medical Specialist the Company appoints to reach a joint agreement.

Once the Company is in receipt of the assessment(s) it will then calculate as a percentage disablment to the nearest Permanent Disability item shown on the Schedule to arrive at a claim payment amount. The Insured Person’s occupation or age will not be a relevant factor in assessing the relevant percentage.

b) If the Insured Person suffers Bodily Injury to a part of the body that is not listed in section A on the Schedule under items 2-4a or cannot be assessed by reference to the stated percentages of the Specific Disabilities table above items A i)-ix):

The Company will assess the injury as a percentage of the body as a whole and apply this to the amount shown for item 4a of section A. To do this the Company will ask the treating Medical Consultant, Medical Practitioner or Medical Specialist that treated the Insured Person’s injury to review the impairment and disability and provide the Company with their assessment. If they are unable or unwilling to do this in a timely manner or if or they are unable to provide the Company with justifiable evidence to support their assessment, the Company will appoint an independent Medical Specialist to make this assessment. This may require them to examine the Insured Person and/or review their medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made.

The Company may also ask an independent Medical Specialist to examine the Insured Person and/or review their medical records and other medical reports to obtain a second opinion. The Company may also ask the Insured Person’s treating Medical Consultant, Medical Practitioner or Medical Specialist to review and comment on the assessment made by the independent Medical Specialist the Company appoints to reach a joint agreement.

Once the Company is in receipt of the assessment(s) it will then calculate as a percentage disablment of the body as a whole and apply this to the amount shown for item 4a of section A to arrive at a claim payment amount. The Insured Person’s occupation or age will not be a relevant factor in assessing the relevant percentage.

When more than one form of Disablement results from one Accident the percentages from each will be added together, but the Company will not pay more than 100% of the Sum Insured under item 4a of section A on the Schedule other than for Permanent Partial Disablement items C-F (Additional Payments) which will be payable in addition to the amount payable under item 4a.

Other than as provided for above, if a claim is payable for loss of, or loss of use of a whole part of the body, a claim for any component of that whole part cannot also be made.

Provisions applicable to section A

1. If an Insured Person goes missing during the Operative Time and after a suitable period of time it is reasonable for the Company to believe that the Insured Person has died as a result of Bodily Injury during the Period of Insurance, the Company will pay the Sum Insured shown on the Schedule to the Insured provided that the Insured signs an agreement that if it later transpires that the Insured Person has not died, any amount paid will be refunded to the Company.

2. If an Insured Person suffers Bodily Injury as a result of exposure to severe weather conditions, an insect or animal bite, unintentional drowning, poisoning or asphyxiation this will be considered to have been caused by an Accident under the terms of this policy.

3. Under section A of the Schedule, the Company will only pay for the Bodily Injury an Insured Person has suffered if it is directly as a result of the Accident. Any existing physical impairment or medical condition an Insured Person has before the Accident will be taken into consideration in calculating the amount payable on the basis of the difference between their physical impairment or medical condition before and after the Accident. The Company will ask an Insured Person’s Medical Practitioner (if suitably qualified) or the Medical Specialist that treated them to make these assessments (or an independent Medical Specialist or other suitably qualified person if they are unable or unwilling to do so). The assessment will be converted into a percentage and applied to the policy benefit payable.
4. If an Insured Person is not a Business Partner, Director or Employee of the Insured then Permanent Total Disablement will be defined as “a permanent, total and irrecoverable disablement which totally prevents an Insured Person from working in paid employment for which they are suited by way of training, education or employment which in all probability will continue for the remainder of their natural life”. In addition, no claim for Temporary Total Disablement or Temporary Partial Disablement under items 5 and 6 of section A will be payable.

5. The Sum Insured under item 1 of section A as shown on the Schedule for an Insured Person who is a Child will be limited to £25,000 except where an Insured Person is aged 16 and over at the time of sustaining Bodily Injury, and is a Business Partner, Director or an Employee of the Insured.

6. For any Insured Person after expiry of the Period of Insurance during which that Insured Person reaches age 75, the amount the Company will pay will be reduced to 10% of the Sum Insured or £75,000, whichever is less, for items 1-3 of section A shown on the Schedule and no claim will be payable for items 4a, 4b, 5 and 6.

7. Unless specifically agreed otherwise, the amount the Company will pay will be reduced to the Sum Insured shown on the Schedule or £10,000, whichever is less, for items 1-4b of section A and no claim will be payable for items 5 and 6, for Bodily Injury as a result of the Insured Person flying as a pilot (including ballooning, hang-gliding, paragliding, microlight flying).

8. If an Insured Person is not covered under item 1 but is covered under items 2-4b of section A as shown on the Schedule, the Company will not pay claims under items 2-4b if the Insured Person dies during the 13 week period following the date of the Accident. If the Insured Person is covered under item 1 but the Sum Insured is less than that for items 2-4b, the Company will only pay item 1 if the Insured Person dies in the 13 weeks following the date of the Accident.

9. The Company will only pay one of the items 1-4b under section A of the Schedule in respect of the same loss, and the amount paid will be for the cover item that most closely describes the loss and any payment made under items 5 and 6 of section A will stop when the Company pays the full amount due under items 1-4b.

10. Where a period of Temporary Total Disablement is less than 7 consecutive days the amount the Company will pay for each working day will be calculated as a percentage of the Insured Person’s normal days/hours of work per week in accordance with their contract of employment and applied to the amount specified on the Schedule.

11. If the Company has extended the policy to include cover for dividends, payments under any of the items 1-5 of section A, they will be treated as being the Insured Person’s Annual Salary or Gross Weekly Wage provided that such dividend payments are paid instead of wages/salary, they are declared and are shown with the Insured’s accounts and they are consistent and reasonable with the Insured’s trading position on a continuing basis.

12. The Company will not pay a benefit under the extensions to section A for the burns benefit, facial scarring benefit and fracture benefit in addition to a claim under items 1-4b of section A.

13. If a claim or series of claims from one event exceeds the Scheduled Aircraft Accumulation Limit, the Non-Scheduled Aircraft Accumulation Limit or the Any One Accident Limit shown on the Schedule, the Company will pay either the limit shown on the Schedule or reduce each claim made proportionately until the combined total does not exceed the limit shown on the Schedule.

Additional definitions applicable to section B1.4
(Please also refer to General Policy Definitions for definitions that apply to the policy as a whole)

c) Any costs payable by an Insured Person following an award of costs by any court or tribunal and any costs payable following an out-of-court settlement made in connection with any claim or legal proceedings;
d) Any fees, expenses and other amounts reasonably incurred by the Legal Representative in appealing or resisting an appeal against the judgment of a court tribunal or arbitrator.

Legal Representative
A Preferred Law Firm, solicitor, firm of solicitors, law firm or any appropriately qualified person, firm or company, appointed by the Company to act for the Insured in respect of an Insured Person in accordance with the terms of this sub section of the policy.

Preferred Law Firm
A law firm or barristers’ chambers the Company chooses to provide legal services. These legal specialists are chosen as they have the proven expertise to deal with the claim and they should comply with the Company’s agreed service standard levels.

Additional conditions applicable to section B1.4
1. The Company’s consent to pay Legal Expenses must firstly be obtained in writing before they are incurred. The Company’s decision to grant to the commencement of legal proceedings will take into account the opinion of:
   a) the Legal Representative, and
   b) the Company’s own Preferred Law Firm which may include an opinion from counsel upon the merits of the claim.
2. Consent will be given if:
   a) the collective legal opinion of the Legal Representative and the Company’s own Preferred Law Firm is that there is a reasonable prospect of success (more than 50%) for pursuing the legal proceedings; and

   c) it is reasonable for Legal Expenses to be paid by the Company.
3. If the opinion of the Legal Representative and the Company’s legal advisers differ, the Company may at its own cost obtain an opinion from a qualified barrister to be mutually selected, or if agreement upon selection cannot be reached, to be chosen by the President of the Law Society. This opinion will determine whether the Company gives its consent to the commencement of legal proceedings.
4. If the Company does not give its consent, then the Company will only pay for the reasonable costs in obtaining the initial opinion of the Legal Representative upon the merits of pursuing a claim for damages or compensation.
5. All claims including any appeal against a judgment resulting from the same original cause, event, or circumstances, will be regarded as one claim.
6. If following any successful claim or legal proceedings an award of costs is made in favour of the Insured Person or those acting on behalf of the Insured Person, any Legal Expenses paid by the Company will be reimbursed by the Insured Person or those acting on behalf of the Insured Person to the Company from the full amount of such costs awarded.
7. If the legal opinion (which determines whether the Company gives its consent to the commencement of legal proceedings) is that there is a reasonable prospect of success but the cost of pursuing a claim is likely to be more than the amount of damages or compensation that the Insured Person is likely to receive, the maximum the Company will pay is the anticipated amount of damages or compensation or the Sum Insured stated on the Schedule, whichever is the lesser amount.

8. The Insured must consent for an Insured Person to make a claim under this section.

9. For Legal Expenses, the Company will not pay more than that it would have paid to a Preferred Law Firm.

   If the Insured changes its business activities from those described in the ‘Business description’ on the Schedule during a Period of Insurance the Insured must tell the Company within 30 days of the change.

   Where the alteration represents a material change to the business activities or material information already provided to the Company, it reserves the right at the time of notification to decide whether to provide cover and, if so, to establish a separate rate and premium and, if appropriate, terms to provide coverage for any such change.

(ii) but for the breach the **Company’s** underwriter would not have entered into the policy on any terms, in which event the **Company** shall return the premium.

(b) In all other cases:

(i) where the **Company’s** underwriter would have charged more premium, any amounts payable by the **Company** will be scaled down to the ratio that the premium actually charged (the “Actual Premium”) bears to the premium that they would have charged to assume that risk (the “Reference Premium”); and in addition

(ii) where the **Company’s** underwriter would have written the risk on different terms (other than in relation to premium) the policy is to be treated as if it had been entered into on those terms.

If the changes are acceptable to the *Insured* then this policy will continue. If the changes are not acceptable, the *Insured* may cancel this policy. This policy will be governed and interpreted by English law, and the *Insured* and the *Company* agree to submit to any court of competent jurisdiction in England or Wales (or Scotland if the *Insured* is registered in Scotland) to determine any dispute arising under or in connection with this policy and agree to comply with all requirements necessary to give such court jurisdiction unless the *Insured* and the *Company* agree to abide by the laws of a different country before the commencement of the Period of Insurance.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

b) If the actual premium calculated is greater than the premium already paid for the Period of Insurance, the *Insured* will pay the balance to the *Company*. If it is less, the difference will be repaid to the *Insured* subject to any agreed minimum retained premium.

c) Any permanent alterations to the policy during the Period of Insurance for which an additional premium has been or would have been charged will be included in the adjustment calculation.

The *Insured* and each *Insured Person* must take all reasonable steps to avoid and minimise any loss or damage and must also make every effort to recover any property covered by this policy which has been lost or stolen.

21. **Recovery from third parties**

In the event that a third party is held liable for all or part of any claim paid under this policy, the *Company* may exercise its legal right to pursue the third party to recover its outlay. The *Insured* or an *Insured Person* will upon the *Company’s* request agree to and permit the *Company* to do such acts and things as may be necessary or reasonably required for the purpose of exercising this right. 23. **Sanctions**
   The *Company* shall not be deemed to provide cover and the *Company* shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the *Company*, the *Company’s* parent company or the *Company’s* ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, the European Union or the United States of America.
