We are disciples of Christ, called Methodists, based in Scotland. We are welcoming all.

We understand that sometimes all it takes to change the world is a little support. Since our founding by John Wesley, we have been determined to make an impact addressing injustice, including climate injustice. The core of our efforts is to bring our limited resources, our faith and our hopes to the range of activities in which we’re involved.

Through all of our deeds, words and prayers, we hope to display the faith behind our beliefs.

We offer that opportunity to be involved in social action regarding Refugees, Addiction, Climate, and Discrimination.

**Woodlands International**

We are a friendly, welcoming church in the Methodist tradition with focus on live music and singing in our services. Many of those attending are from Ghana.

We meet regularly at Woodlands Church at **1:30pm each Sunday** and hold online meetings (posted on the [Woodlands International Facebook page](http://www.fb.com/woodlandsinternational)) in the Woodlands church on the first floor. We have Sunday School for children, and are family oriented.

**Woodlands Methodist**

We meet regularly for worship on **Sundays at 11am** in our church on the first floor. There is a church hall on the ground floor where we meet for coffee/tea after each service.

The Church is used for many groups throughout the week, and we add meetings and groups regularly so please check updates on the [Woodlands Methodist Church Facebook page](http://www.fb.com/woodlandsmethodist), and you can join our mailing list for updates.

Our Church was originally a Unitarian Church built for the Swedenborgians (the New Church) in 1909, and Woodlands Methodist Church moved into this building in 1977.

The **West window** (left) is by George Benson (c. 1920) and depicts the story of Jesus talking to a Samaritan woman at a well. More information available on request or [here](http://www.scotlandmethodistscop26.co.uk).

(John 4: 1 – 29)
We offer a place for a sit down, a hot beverage and some biscuits or cakes. There will be someone, with whom you can have a chat. We offer you a break in this busy city: a space and time to be.

We offer a space as a chapel, where you can come for private prayer, meditation or contemplation.

We are hosting art exhibitions, mini-concerts, talks from various parts of the world and displays on Methodism.

Message from the Methodist Chaplain

Hi, I am delighted to be able to serve as an honorary chaplain to the University of Glasgow. I am Bob Stoner and, possibly like you, I only arrived in Glasgow last year. I serve as a Methodist Minister across the city. We seek to bring together experience of life, reason, some tradition and scripture, all combined to seek a way of life where we may all flourish. The Methodists have recently agreed that marriage is for all, irrespective of gender, for we are all wonderfully made by God.

I think Chaplaincy is important because its emphasis is upon reversing the guest and the host relationship. As a Chaplain my delight is in listening, walking with people, in the joys and sorrows of life. I am the guest and you are the host, where you set the agenda.

I have previously worked in interfaith chaplaincies with Muslims and Pagans, seeking to bring further dialogue and mutual understanding. I sincerely hope that you have a great time in Glasgow, at this wonderful University, and may it be provide a great foundation upon which you can continue on life’s journey.
