

UofG Wellcome Trust Integrated Infection Biology PhD Programme

APPLICATION CHECKLIST AND NOTES

The purpose of this checklist is to help you ensure you complete all parts of application required and upload all additional documentation.

1. APPLICATION

You are required to complete the online application form via our web portal. Please note that this is a University application system and therefore there are some fields that are not applicable to this programme but still need to be populated.

Applicants are requested to state their proposed start date. This is scheduled to be **1 October 2022**.

Applicants are also asked to give details of their proposed research supervisor and their proposed research title. It is not required that you have made these decisions at application stage therefore you can either choose a name from the drop down box or you can populate with N/A.

All places on the Wellcome Trust IIB PhD programme are fully funded. Therefore, when requested to give financial details of the programme, select University of Glasgow Scholarship.

2. RECRUITMENT INFORMATION FORM

All applicants must upload a completed Recruitment Information Form. Only information included in this form will be used to shortlist candidates for interview therefore it must be completed or the application cannot be considered.

To reduce the impact of unconscious bias on recruitment, we ask that in this form you only provide the information requested. Information that is not relevant at this stage of assessment, including your name, gender, ethnicity and nationality, and the names of the Institutions where you trained, **should not be included in this form**. You will be asked to provide this information when you upload your application – please note that it will be held separately and will be used only for administrative purposes.

3. CV/RESUME

Please upload an up-to-date cv/resume.

4. DEGREE CERTIFICATE

If you have graduated prior to January 2022 and you have your degree certificate, please upload. If you are currently awaiting your degree certificate, we will require a copy of this before we were able to enrol you on the programme.

5. ACADEMIC TRANSCRIPT

Please upload a copy of your full academic transcript to date.

6. PASSPORT

Please upload a scan of the photo page of your passport.

7. REFEREE 1

This should be from an academic who has knowledge of your academic ability from your most recent study/programme.

8. REFEREE 2

This should be from an academic who has knowledge of your academic ability.

Names of your academic referees should be indicated on the application form. Referees should then submit their references to pgadmissions@glasgow.ac.uk stating applicant name and Wellcome Trust 4-year PhD programme on the reference letter as well as:

- how they know applicant,
- how long they have known applicant,
- characteristics applicant has that would make a good PhD student, and
- if applicant is in top 5/10% of programme.

References should be signed and on headed paper, and must be received by 5 January 2022.

9. ENGLISH LANGUAGE PROFICIENCY

All non-UK candidates whose first language is not English must provide a certificate of proficiency in the English Language before they are able to matriculate at the University of Glasgow: <https://www.gla.ac.uk/international/englishlanguage/requirements/> (details in the section: College of Medical, Veterinary & Life Sciences). Note: it is only necessary to provide evidence of English language proficiency if you are offered a place on the Programme, in order to meet University of Glasgow matriculation requirements. Evidence of English language proficiency is not required at the point of application.
