

NEWS UPDATE FOR DE STEERING GROUP MEETING ON 240221

Project updates

Pioneer Scheme. Pioneer Scheme ended in May 2020, but there have been recent discussions between David and members of the Scottish Government's Short-Life Working Group on Health Inequalities about the possibility of re-launching as a Fairhealth Scotland scheme involving the wider primary care team.

Govan SHIP. Report and Evaluation now on the website: [Media 765464 smxx.pdf \(gla.ac.uk\)](https://www.gla.ac.uk/media/Media_765464_smxx.pdf). Project feedback has been formally requested from SG February 2021.

Presentations and Podcasts

David and Anne presented to the Deep End NW London group on 27th October on ["Key lessons from 10 years of the Scottish Deep End GP project"](#)

Andrea presented to Marie Curie Homelessness and End of Life Care Summit, 28 October 2020.
https://www.gla.ac.uk/media/Media_759825_smxx.pdf

David and Graham spoke at the Tudor Hart conference organised by Swansea and Cardiff University GP student societies, 30th January 2021.

John and Vince presented Govan SHIP at the RCGP Annual Conference on 11 February 2021. Chaired by Carey.

Podcast on Health Inequalities and Realistic NHS recorded by Carey on 17 Feb 2021 for the Healthcare Leadership Alliance. To be shared when available
