Registration and Enrolment

Online Drop-In Support
You must register online before starting at the University using MyCampus, the University's student information system. The process allows you to register for your courses, confirm your personal, academic and financial information, and agree to observe the University Oath, regulations and requirements.

- Check your 'Access Your Student Account' email for your login details
- Log in to the MyGlasgow Student Portal via MyGlasgow Students
- Under the MyCampus heading, select: My Registration

If you have any questions or difficulties with completing Registration or Enrolment, please drop-in online to one of our Support Sessions. Our Academic and Student Administration Manager will be available to answer your questions, and provide help and support to get you fully registered and enrolled.

These sessions are for all students, and you will be admitted to the sessions on an individual basis, so may be placed in a virtual 'Waiting Room' when you first join.

CUCSA

Crichton University Campus Students Association

CUCSA is run by a committee who are elected by the students at the Crichton campus. Elections are held annually, in autumn, and committee members are elected for a term of 12 months.

As well as supporting the clubs and societies that are currently running, we want to encourage you to get involved in shaping the development of new ones.

If you can't find what you want among our existing activities, we may be able to help you with the finance and organisation you need to set up a club that matches your interests.
