

1927-2022 - 95 years of Alumnae Friendship

Message from our President (Tina)

The quiet Covid period felt at times somnolent for a social club like ours and I wondered about the future. However, I was very much encouraged by the lively discussion at the recent AGM where members put forward ideas to promote the club and increase our membership. I had been worried about the low turnout at some events during my year-long presidency but now I think that I will hand over the club in a good frame of mind. After all, it is no mean achievement that we have managed to keep the club going for 95 years. Congratulations are due to all of us! My successor, Marlene Terry, has told me that our centenary in 2027 is very much on her mind and she intends to set up a dedicated committee to prepare for the celebrations.

The handover itself will take place on 28th January, at President's Tea, when the presidential badge will go to Marlene.
