

Course List for Visiting Students 2024-25

Planning for the next academic session is ongoing. Please find below information to date on anticipated course offerings for the next academic session.

Please note the course lists are not definitive and may only list certain levels for some subjects, but it is provided to help in your course choice decisions at time of application. We will update this guide as and when we receive new information from subject areas until our application deadline.

Students should refer to the following list when selecting course choices on their exchange/study abroad application in conjunction with our course selection guide and the current course catalogue which is linked in this document. Please note final course offerings may be subject to change as timetabling is finalised and that courses cannot be guaranteed in advance.

More detailed course descriptions can be found in the course catalogue for the current academic session via the course links. If links are not available, this may be as it is a new course and details are not yet available.
