Clinical and cost-effectiveness of Dyadic Developmental Psychotherapy for abused and neglected young children with maltreatment-associated problems and their parents.

## Frequently Asked Questions

**Q. Who can I contact about the trial if I have questions?**

A. Please contact the research team at [right-trial@glasgow.ac.uk](mailto:right-trial@glasgow.ac.uk)

**Q. Who can take part in the trial?**

A. Children between the ages of 5-12 who are adopted or in a permanent foster placement.

**Q. What areas is the trial happening in?**

A. We are recruiting participants in:

- Lanarkshire
- Oxfordshire
- Central Bedfordshire
- Bedford
- Hertfordshire
- Nottinghamshire and Derbyshire
- Doncaster
- West Midlands

**Q. What is the time commitment involved in taking part?**

A. The research questionnaires will take a few hours and are completed at baseline and repeated after 12-months. Participating families who are randomised to the DDP arm will be asked to take part in 20-24 session of DDP over a 12-month period. Time commitment for participating families randomised to Services as Usual will vary depending on what is available by your agency providing support.

**Q. Would I have to travel to take part?**

A. All of the research visits can be conducted remotely, families may need to travel to receive DDP or other services.

**Q. I have two children that fit the criteria, can they both take part?**

A. Unfortunately, only one child per family can take part at one time.

**Q. If I agree to take part now, can I change my mind later?**

A. You can change your mind at any time. Your care will not be affected at any time by declining to participate or withdrawing from the trial.

**Q. If I agree to take part, what will happen?**

A. Our information sheets should contain all the information you need. If you have any further questions, please get in touch.
